Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 351.402(f) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these review periods. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper review and this notice are published in accordance with sections 751(a)(2)(B) and 777 (i)(1) of the Act.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Extension of Time Limit for the Preliminary Results of Antidumping Duty Administrative Review.

SUMMARY: The Department of Commerce (the Department) is extending the due date for the preliminary results of review of the antidumping duty order on stainless steel butt-weld pipe fittings from Korea from October 31, 2004 to February 28, 2005.

EFFECTIVE DATE: August 3, 2004.

FOR FURTHER INFORMATION CONTACT: Fred Baker or Robert James, AD/CVD Enforcement Office 8, Group III, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-2924 or (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

On February 23, 1993, the Department published the antidumping duty order on stainless steel butt-weld pipe fittings from Korea. *See Antidumping Duty Order: Certain Welded Stainless Steel Butt-Weld Pipe Fittings from Korea*, 58 FR 11029 (February 23, 1993). On February 27, 2004, Sungkwang Bend Co., Ltd., a producer of the subject merchandise, requested a review of its U.S. sales during the period February 1, 2003 through January 31, 2004. On March 26, 2004, the Department published a notice initiating the requested review. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 69 FR 15788, (March 26, 2004).

Extension of Time Limit for Preliminary Results

The Tariff Act of 1930 (as amended) (the Tariff Act), at section 351(a)(3)(A), provides that the Department will issue the preliminary results of an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Tariff Act provides further that if the Department determines that it is not practicable to complete the review within this time period, the Department may extend the 245-day period to 365 days.

The Department has determined that it is not practicable to complete the preliminary results by the current 245-day deadline of October 31, 2004. There are a number of discrepancies in the submitted data that require additional information and analysis. These discrepancies pertain, *inter alia*, to customer affiliations, computation methodologies, and unreported expenses. We require additional time to analyze the questionnaire response, issue a supplemental questionnaire(s), and conduct a verification. Therefore, in accordance with section 751(a)(3)(A) of the Tariff Act, and 19 CFR 351.213(h)(2), the Department is extending the time limit for the preliminary results by 120 days to February 28, 2005.

This notice of postponement is in accordance with section 751(a)(3)(A) of the Tariff Act.

Dated: February 27, 2004.

Jeffrey A. May,

Deputy Assistant Secretary for Import Administration.
