ratios; and explicitly listing filings under section 238.11(f) of Regulation LL on the instructions. The Board also proposed a minor change that would correct a cross-reference to the Board's rules regarding the availability of information and to clarify that the informational requirements of the FR LL-10(e) are mandatory for all filers. The comment period for this notice expired on March 29, 2022. The Board did not receive any comments. The revisions will be implemented as proposed.
