Federal Highway Administration

Notice of Limitation on Claims for the Campus Parkway

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Limitation on Claims for Judicial Review of Actions by FHWA and other Federal Agencies.

SUMMARY: This notice announces actions taken by FHWA and other Federal agencies that are final within the meaning of 23 U.S.C. 139(f)(1). These actions relate to a proposed 7.25 km (4.5 mile) Campus Parkway, which would be a four-lane expressway beginning at the

Mission Avenue Interchange on State Route 99 and extending north on new alignment to Yosemite Avenue, south and east of the City of Merced in Merced County, State of California. These actions grant approvals for the project.

DATES: By this notice, the FHWA is advising the public of final agency actions subject to 23 U.S.C. 139(f)(1). A claim seeking judicial review of the Federal agency actions on the expressway project will be barred unless the claim is filed on or before November 13, 2007. If the Federal law that authorizes judicial review of a claim provides a time period of less than 180 days for filing such claim, then that shorter time period still applies.

This project would improve existing and future circulation east of the City of Merced and provide access to planned developments north and east of the city as well as the first phase of the Merced Campus of the University of California. This would be accomplished by constructing a four-lane expressway south and east of the City of Merced, in Merced County, from the Mission Avenue Interchange at State Route 99 north to Yosemite Avenue northeast of the city.
