

notifies prospective purchasers about the exemption and its subject. Under § 555.9(c), this information must also be included on the vehicle's certification label.⁵

In consideration of the foregoing, we conclude that granting the requested exemption from FMVSS No. 126, *Electronic Stability Control Systems*, would facilitate the field evaluation or development of a low-emission vehicle, and would not unreasonably lower the safety or impact protection level of that vehicle. We further conclude that granting this exemption would be in the public interest and consistent with the objectives of the Safety Act.

In accordance with 49 U.S.C. 30113(b)(3)(B)(iii), Wheego is granted NHTSA Temporary Exemption No. EX 12-01 from FMVSS No. 126. The exemption is for a total of no more than 165 LiFe model vehicles and shall be effective from the date on which notice of this decision is published in the **Federal Register** until December 31, 2012, as indicated in the **DATES** section of this document.

Authority: 49 U.S.C. 30113; delegations of authority at 49 CFR 1.50. and 501.8.

Issued on: August 2, 2012.

[Docket No. AB 314 (Sub-No. 5X)]

Chicago Central and Pacific Railroad Company—Abandonment Exemption—in Cook County, IL

Chicago Central and Pacific Railroad Company (CCP) has filed a verified notice of exemption under 49 CFR part 1152 subpart F—*Exempt Abandonments* to abandon a 1.59-mile line of railroad between milepost 11.88 and milepost 13.47, in North Riverside, Cook County, Ill. The line traverses United States Postal Service Zip Codes 60546 and 60130.

CCP has certified that: (1) No local traffic has moved over the line for the past two years; (2) there is no overhead traffic on the line to be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding

cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on September 11, 2012, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29 must be filed by August 20, 2012. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28³ must be filed by August 30, 2012, with the Surface Transportation Board, 395 E Street SW., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to CCP's representative: Thomas J. Healey, 17641 S. Ashland Avenue, Homewood, IL 60430-1345.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

CCP has filed a combined environmental and historic report that

¹ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each OFA must be accompanied by the filing fee, which is currently set at \$1,500. See 49 CFR 1002.2(f)(25).

³ CCP states that it is not the owner of the underlying right-of-way (ROW) and it believes that the ROW would not be of interest to the state or any other entity as a highway or mass transportation line or other similar public use because the ROW is located in a highly developed urban area with a mature roadway system.

addresses the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by August 17, 2012. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service at 1-800-877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), CCP shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by CCP's filing of a notice of consummation by August 10, 2013, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at "WWW.STB.DOT.GOV."

Decided: August 7, 2012.

By the Board, Rachel D. Campbell,
Director, Office of Proceedings.

Derrick A. Gardner,
Clearance Clerk.
