DEPARTMENT OF ENERGY

Southwestern Power Administration

Robert Douglas Willis Power Rate Schedule

AGENCY: Southwestern Power Administration, DOE.

ACTION: Notice of rate order.

SUMMARY: Pursuant to Delegation Order No. 00-037.00 and 00-001-00A, effective December 6, 2001 and September 17, 2002, respectively, the Deputy Secretary of Energy has approved and placed into effect on an interim basis Rate Order No. SWPA-50 which increases the power rate for the Robert Douglas Willis Hydropower (Robert D. Willis) Project pursuant to the following Robert D. Willis Rate Schedule: Rate Schedule RDW-03, Wholesale Rates for Hydro Power and Energy Sold to Sam Rayburn Municipal Power Agency (Contract No. DE-PM75-85SW00117).

FOR FURTHER INFORMATION CONTACT: Mr. Forrest E. Reeves, Assistant Administrator, Office of Corporate Operations, Southwestern Power Administration, Department of Energy, One West Third Street, Tulsa, OK

74103-3519, (918) 595-6696, gene.reeves@swpa.gov.

SUPPLEMENTARY INFORMATION: The existing hydroelectric power rate for the Robert D. Willis project is \$353,700 per year. The Federal Energy Regulatory Commission approved this rate on a final basis on October 22, 2001, for the period ending September 30, 2005. The FY 2003 Robert D. Willis Power Repayment Studies indicates the need for an increase in the annual rate by \$99,952 or 28.1 percent beginning November 1, 2003.

The Administrator of Southwestern Power Administration (Southwestern) has followed Title 10, Part 903 Subpart A, of the Code of Federal Regulations, "Procedures for Public Participation in Power and Transmission Rate Adjustments and Extensions" in connection with the proposed rate schedule. On June 24, 2003, Southwestern published notice in the **Federal Register**, 68 FR 37483, of a 60-day comment period, together with a Public Information Forum and a Public Comment Forum, to provide an opportunity for customers and other interested members of the public to review and comment on a proposed rate increase for the Robert D. Willis project. Both public forums were canceled when no one expressed an intention to participate. Written comments were accepted through August 25, 2003. The only comment received was from Gillis & Angley, Counsellors at Law, on behalf of Sam Rayburn Municipal Power Agency (SRMPA), which stated that SRMPA (the sole hydropower customer) had no objection to the proposed rate adjustment.

Information regarding this rate proposal, including studies and other supporting material, is available for public review and comment in the offices of Southwestern Power Administration, Suite 1400, One West Third Street, Tulsa, Oklahoma 74103.

Following review of Southwestern's proposal within the Department of Energy, I approved Rate Order No. SWPA-50, which increases the existing Robert D. Willis rate to \$452,952 per

year for the period November 1, 2003, through September 30, 2007.

Dated: October 10, 2003.

Kyle E. McSlarrow,
Deputy Secretary.
