**Von Hoffman Corporation, a  
Subsidiary of RR Donnelley & Sons  
Company, Jefferson City Plant,  
Including On-Site Leased Workers  
From Employment Plus and  
Manpower, Jefferson City, Missouri;  
Notice of Revised Determination on  
Reconsideration**

On April 8, 2014, the Department of Labor (Department) issued an Affirmative Determination Regarding Application for Reconsideration applicable to workers and former workers of Von Hoffman Corporation, a subsidiary of RR Donnelley & Sons Company, Jefferson City Plant, including on-site leased workers from Employment Plus and Manpower, Jefferson City, Missouri (subject firm). The Department's Notice of determination was published in the **Federal Register** on April 29, 2014 (79 FR 24014). Workers are engaged in employment related to the production of educational textbooks and commercial catalogues.

During the reconsideration investigation, the Department carefully reviewed previously-submitted information, obtained additional information from the subject firm, and conducted an industry analysis of like or directly competitive articles.

Previously-provided information reveals that a significant number or proportion of workers at the subject firm was separated and that sales and production at the subject firm declined.

Based on new information obtained during the reconsideration investigation, the Department determines that increased imports of articles like or directly competitive with those produced by the subject firm contributed importantly to worker separations.

**Conclusion**

After careful review of the additional facts obtained on reconsideration, I determine that workers of the subject firm, who were engaged in employment related to production of textbooks and catalogues, meet the worker group certification criteria under Section 222(a) of the Act, 19 U.S.C. § 2272(a). In accordance with Section 223 of the Act, 19 U.S.C. § 2273, I make the following certification:

All workers of Von Hoffman Corporation, a subsidiary of RR Donnelley & Sons Company, Jefferson City Plant, including on-

site leased workers from Employment Plus and Manpower, Jefferson City, Missouri, who became totally or partially separated from employment on or after December 26, 2012, through two years from the date of this certification, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed in Washington, DC, this 27th day of June, 2014.

**DEPARTMENT OF LABOR****Employment and Training  
Administration****Notice of Determinations Regarding  
Eligibility To Apply for Worker  
Adjustment Assistance and Alternative  
Trade Adjustment Assistance**

In accordance with Section 223 of the Trade Act of 1974, as amended (19 USC 2273) the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) number and alternative trade adjustment assistance (ATAA) by (TA-W) number issued during the period of *June 23, 2014 through July 4, 2014*.

In order for an affirmative determination to be made for workers of a primary firm and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(a) of the Act must be met.

I. Section (a)(2)(A) all of the following must be satisfied:

A. a significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

B. the sales or production, or both, of such firm or subdivision have decreased absolutely; and

C. increased imports of articles like or directly competitive with articles produced by such firm or subdivision have contributed importantly to such workers' separation or threat of separation and to the decline in sales or production of such firm or subdivision; or

II. Section (a)(2)(B) both of the following must be satisfied:

A. a significant number or proportion of the workers in such workers' firm, or an appropriate subdivision of the firm, have become totally or partially separated, or are threatened to become totally or partially separated;

B. there has been a shift in production by such workers' firm or subdivision to a foreign country of articles like or directly competitive with articles which are produced by such firm or subdivision; and

C. One of the following must be satisfied:

1. the country to which the workers' firm has shifted production of the articles is a party to a free trade agreement with the United States;

2. the country to which the workers' firm has shifted production of the articles to a beneficiary country under the Andean Trade Preference Act, African Growth and Opportunity Act, or the Caribbean Basin Economic Recovery Act; or

3. there has been or is likely to be an increase in imports of articles that are like or directly competitive with articles which are or were produced by such firm or subdivision.

Also, in order for an affirmative determination to be made for secondarily affected workers of a firm and a certification issued regarding eligibility to apply for worker adjustment assistance, each of the group eligibility requirements of Section 222(b) of the Act must be met.

(1) significant number or proportion of the workers in the workers' firm or an appropriate subdivision of the firm have become totally or partially separated, or are threatened to become totally or partially separated;

(2) the workers' firm (or subdivision) is a supplier or downstream producer to a firm (or subdivision) that employed a group of workers who received a certification of eligibility to apply for trade adjustment assistance benefits and such supply or production is related to the article that was the basis for such certification; and

(3) either—

(A) the workers' firm is a supplier and the component parts it supplied for the firm (or subdivision) described in paragraph (2) accounted for at least 20 percent of the production or sales of the workers' firm; or

(B) a loss or business by the workers' firm with the firm (or subdivision) described in paragraph (2) contributed importantly to the workers' separation or threat of separation.

In order for the Division of Trade Adjustment Assistance to issue a certification of eligibility to apply for Alternative Trade Adjustment Assistance (ATAA) for older workers,
