Bureau of Educational and Cultural Affairs Request for Grant Proposals: Administration of Partnership Programs in Higher Education

SUMMARY: The Humphrey Fellowships and Institutional Linkages Branch of the Office of Global Educational Programs in the Bureau of Educational and Cultural Affairs of the United States Department of State announces an open competition for an assistance award to cooperate with the Bureau in the administration of partnership programs in higher education in Fiscal Year 2002. These programs include the Educational Partnerships Program (formerly known as the College and University Affiliations Program), the NIS College and University Partnerships Program (NISCUPP), and the NIS Community College Partnerships Program (NISCCPP). The partnership programs in higher education award grants to accredited U.S. post-secondary institutions to administer projects that will strengthen mutual understanding and scholarly cooperation on subjects of enduring common interest to the United States, to other countries, and to the participating institutions. Contingent on the availability of funds, approximately 35 to 45 grant awards in an amount totaling between \$7 million and \$9 million may be issued under these programs during Fiscal Year 2002.

The integrity of these programs requires that they maintain the highest and most consistent standards of academic and professional quality in the selection of proposals and the implementation of projects. Public and private non-profit organizations meeting

the provisions described in IRS regulation 26 CFR 1.501(c) may submit proposals to provide administrative and program services for the Bureau's educational partnership programs in Fiscal Year 2002 by undertaking the following activities: (1) Technical review of approximately 225 proposals that are expected to be submitted to the Bureau for these programs in Fiscal Year 2002; (2) coordinating the academic review of eligible proposals by independent panels of scholarly and professional experts in consultation with representatives of the Department of State, and providing expert recommendations about the merits of the proposals that should receive final consideration; (3) making substantive recommendations concerning the administration of the exchange projects to be funded through these programs and about the parameters and guidelines for these programs in future years; (4) dissemination of information about these programs for the FY2003 cycle; (5) conducting a proposal development workshop for approximately 25 administrators and faculty members at U.S. institutions of higher education; (6) cooperation in announcing the issuance of the FY 2002 grant awards and in promoting visibility for the projects funded under these programs; and, (7) development of an illustrated brochure for use in disseminating information about the purposes and achievements of educational partnership programs since their establishment by the Bureau in 1982.
