18. The public information will be available on the FCC Auction System results page that will list for each license the following information: the provisionally winning bid amount, the minimum acceptable bid amount for the next round, the number of bids received in the most recently-completed round, and whether the license has a provisionally winning bid or is held by the FCC.

19. When a bidder is logged in to the FCC Auction System, it will have a selection of *My Bid Reports* available to it on the FCC Auction System's bidding page.
