TABLE 9—ESTIMATED MANUFACTURER ANNUAL BURDEN HOURS FOR COMPUTER MAINTENANCE FOR REPORTING

Vehicle/equipment category	Average number of manufacturers	Hours for computer maintenance per manufacturer	Average hourly labor cost	Annual burden hours for computer maintenance	Total labor costs

Trailers	96	86.5	44.72	8,304	371,352.88.
Motorcycles	15	86.5	44.72	1,297.5	58,024.20.
Emergency Vehicles	8	86.5	44.72	692	30,946.24.

Totals				35,414.5 or 35,415 hours	1,583,736.44 or 1,583,736.

Based on the foregoing, we estimate the burden hours for industry to comply with the current Part 579 reporting requirements (EWR requirements, foreign campaign requirements and Part

579.5 requirements) to be 53,810 hours per year. The total annual burden hours for this information collection consisting of manufacturer communications under Section 579.5

(Subpart A), foreign reporting (Subpart B), EWR submissions and reporting (Subpart C), and computer maintenance is outlined in Table 9 below.

TABLE 9—TOTAL MANUFACTURER BURDEN HOURS FOR THIS COLLECTION

Reporting type	Annual burden hours
Subpart A: Manufacturer Communications	
§ 579.5 (Table 1)	2,074
Subpart B: Foreign Reporting (Table 2)	1,590
Subpart C: EWR Submissions and Quarterly Reporting (Tables 4 & 6)	14,731
Computer Maintenance	35,415
Total	53,810

The burden estimates represent an overall increase in burden hours of 4,567 hours. The increase in burden hours is due to increases in the number of submissions and modifying this request to include reporting for common green tires and additional information requested by NHTSA per Section 579.28(l) that were left out of the previous information collection request. The wage estimates have been adjusted to reflect the latest available rates from the Bureau of Labor Statistics.

Estimated Total Annual Cost: NHTSA estimates the collection requires no additional costs to the respondents beyond the labor costs associated with the burden hours to collect and submit the reports to NHTSA and the labor hours and associated labor costs for computer maintenance.

SUPPLEMENTARY INFORMATION:

Title: NMTC Program Allocation Application.

OMB Number: 1559-0016.

Abstract: Title I, subtitle C, section 121 of the Community Renewal Tax Relief Act of 2000 (the Act) amended the Internal Revenue Code (IRC) by adding IRC § 45D and created the NMTC Program. The Department of the Treasury, through the CDFI Fund, Internal Revenue Service, and Office of Tax Policy, administers the NMTC Program. In order to claim the NMTC, taxpayers make Qualified Equity Investments (QEIs) in Community Development Entities (CDEs) and substantially all of the QEI proceeds must, in turn, be used by the CDE to provide investments in businesses and real estate developments in low-income communities and other purposes authorized under the statute.

The tax credit provided to the investor totals 39 percent of the amount of the investment and is claimed over a seven-year period. In each of the first three years, the investor receives a credit equal to five percent of the total amount paid for the stock or capital interest at the time of purchase. For the final four years, the value of the credit is six percent annually. Investors may not redeem their investments in CDEs

prior to the conclusion of the seven-year period without forfeiting any credit amounts they have received.

The CDFI Fund is responsible for certifying organizations as CDEs, and administering the competitive allocation of tax credit authority to CDEs, which it does through annual allocation rounds. As part of the award selection process, CDEs will be required to prepare and submit an Application, which consists of five sections: Business Strategy; Community Outcomes; Organization Capacity; Capitalization Strategy; and Previous Allocations and Awards. Capitalized terms not defined in this Notice (other than titles) have the meaning set forth in the NMTC Allocation Application, Internal Revenue Code (IRC) § 45D or the IRS NMTC regulations.

Current Actions: Extension with significant changes from currently approved collection.

Type of Review: Regular.

Affected Public: CDEs applying for NMTC Allocations.

Estimated Number of Respondents: 222.

Estimated Annual Time per Respondent: 300.

Estimated Total Annual Burden Hours: 66,600 hours.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval. All comments will become a matter of public record and may be published on the Fund website at <http://www.cdfifund.gov>.

Comments concerning the Application are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services required to provide information.

DEPARTMENT OF THE TREASURY

Financial Crimes Enforcement Network; Bank Secrecy Act Advisory Group; Solicitation of Application for Membership

AGENCY: Financial Crimes Enforcement Network ("FinCEN"), Treasury.

ACTION: Notice and request for nominations.

SUMMARY: FinCEN is inviting the public to nominate financial institutions, trade groups, and non-federal regulators or law enforcement agencies for membership on the Bank Secrecy Act Advisory Group. New members will be selected for three-year membership terms.

DATES: Nominations must be received by January 28, 2021.

ADDRESSES: Nominations must be emailed to BSAAG@fincen.gov.

FOR FURTHER INFORMATION CONTACT: FinCEN Resource Center at 800-767-2825.

SUPPLEMENTARY INFORMATION: Section 1654 of the Annunzio-Wylie Anti-Money Laundering Act of 1992 required the Secretary of the Treasury to establish a Bank Secrecy Act Advisory Group (BSAAG) consisting of representatives from federal agencies, and other interested persons and financial institutions subject to the regulatory requirements of the Bank Secrecy Act, found at 31 CFR 1010-1060. The BSAAG is the means by which the Treasury receives advice on the reporting requirements of the Bank Secrecy Act, and informs private sector representatives on how the information they provide is used. As chair of the BSAAG, the Director of FinCEN is responsible for ensuring that relevant issues are placed before the BSAAG for review, analysis, and discussion.

BSAAG membership is open to financial institutions, trade groups, and federal and non-federal regulators and law enforcement agencies that are located within the United States. Each member selected will serve a three-year term and must designate one individual to represent that member at plenary meetings. While BSAAG membership is granted to organizations, not to individuals, the designated representative for each selected organization should be knowledgeable about Bank Secrecy Act requirements and be willing and able to devote the necessary time and effort on behalf of the representative's organization. Members are expected to actively share anecdotal perspectives, and quantifiable insights on BSA requirements, and
