

4. *Barriers for research:* Information integrity is a complex and multidisciplinary problem with many technical, social, and policy challenges that requires the sharing of expertise, data, and practices across the full spectrum of stakeholders, both domestically and internationally. What are the key barriers for conducting information integrity R&D? How could those barriers be remedied?

5. *Transition to practice:* How can the Federal government foster the rapid transfer of information integrity R&D insights and results into practice, for the timely benefit of stakeholders and society?

6. *Relevant activities:* What other research and development strategies, plans, or activities, domestic or in other countries, including in multi-lateral organizations and within the private sector, should inform the U.S. Federal information integrity R&D strategic plan?

7. *Support for technological advancement:* How can the Federal information integrity R&D strategic plan support the White House Office of Science and Technology Policy's mission:

- Ensuring the United States leads the world in technologies that are critical to our economic prosperity and national security; and
- maintaining the core values behind America's scientific leadership, including openness, transparency, honesty, equity, fair competition, objectivity, and democratic values.

## POSTAL SERVICE

### Privacy Act of 1974; System of Records

**AGENCY:** Postal Service™.

**ACTION:** Notice of modified systems of records.

**SUMMARY:** The United States Postal Service® (Postal Service) is proposing to revise a Customer Privacy Act System of Records (SOR). These modifications are being made to store, send, and host emails for Informed Delivery on a cloud-based platform.

**DATES:** These revisions will become effective without further notice on April 18, 2022, unless in response to comments received on or before that date result in a contrary determination.

**ADDRESSES:** Comments may be submitted via email to the Privacy and Records Management Office, United States Postal Service Headquarters ([privacy@usps.gov](mailto:privacy@usps.gov)). To facilitate public inspection, arrangements to view copies of any written comments received will be made upon request.

**FOR FURTHER INFORMATION CONTACT:** Janine Castorina, Chief Privacy and Records Management Officer, Privacy and Records Management Office, 202-268-3069 or [privacy@usps.gov](mailto:privacy@usps.gov).

**SUPPLEMENTARY INFORMATION:** This notice is in accordance with the Privacy Act requirement that agencies publish their systems of records in the **Federal Register** when there is a revision, change, or addition, or when the agency establishes a new system of records. The Postal Service has determined that Customer Privacy Act System of Records, USPS 820.300 Informed Delivery, should be revised to support the migration of emails to a cloud-based platform.

### I. Background

The Postal Service has determined that Customer Privacy Act Systems of Records (SOR), USPS 820.300 Informed Delivery, should be revised to store, send, and host emails for Informed Delivery on a cloud-based platform.

### II. Rationale for Changes to USPS Privacy Act Systems of Records

The Postal Service constantly seeks to improve efficiency and customer

satisfaction. To that end, the Postal Service seeks to implement a new hosting service for Informed Delivery Daily Digest emails through the cloud, replacing the current on-premises solutions.

### III. Description of the Modified System of Records

To implement the change to a cloud-based platform, this System of Records will be modified to include several new categories of records, numbered 11 through 21, to identify data elements associated with Daily Digest emails which will be collected and stored as part of this migration. In addition, a new purpose has been added to identify this new process. Finally, a retention period for the records generated in association with these activities has been added.

Pursuant to 5 U.S.C. 552a (e)(11), interested persons are invited to submit written data, views, or arguments on this proposal. A report of the proposed revisions has been sent to Congress and to the Office of Management and Budget for their evaluations. The Postal Service does not expect this amended system of records to have any adverse effect on individual privacy rights. The notice for USPS SOR 820.300, Informed Delivery is provided below in its entirety, as follows:
