##### PURPOSE(S):

To compile names of individuals aged 16 through maximum recruiting age to create a mailing frame from which to conduct surveys. These surveys will be conducted multiple times per year and each survey will be designed so that appropriate levels of precision can be achieved for inferences to be made at various geographic levels. The system also provides JAMRS with the ability to remove the names of individuals who are current/former members of, or are enlisting in, the Armed Forces, and individuals who have asked to be removed from consideration as a participant in any future JAMRS survey.

##### ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act, these records or information contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

The DoD’s Blanket Routine Uses set forth at the beginning of OSD’s compilation of systems of records notices do not apply to this system except:

##### RETRIEVABILITY:

##### SAFEGUARDS:

Access to information in the database is highly restricted and limited to those that require the records in the performance of their official duties. The database utilizes a layered approach of

overlapping controls, monitoring and authentication to ensure overall security of the data, network and system resources. Sophisticated physical security, perimeter security (firewall, intrusion prevention), access control, authentication, encryption, data transfer, and monitoring solutions prevent unauthorized access from internal and external sources.

#### RETENTION AND DISPOSAL:

### Notice of Proposed Information Collection Requests

**AGENCY:** Department of Education.

**SUMMARY:** The IC Clearance Official, Regulatory Information Management

Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

**DATES:** Interested persons are invited to submit comments on or before September 22, 2008.

**SUPPLEMENTARY INFORMATION:** Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.
