Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 ("Act") [44 U.S.C. 3501 *et seq.*], the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collections of information discussed below.

Rule 489 under the Securities Act of 1933 [17 CFR 230.489] requires foreign banks and foreign insurance companies and holding companies and finance subsidiaries of foreign banks and foreign insurance companies that are excepted from the definition of "investment company" by virtue of Rules 3a-1, 3a-5, and 3a-6 under the Investment Company Act of 1940 to file Form F-N to appoint an agent for service of process in the United States when making a public offering of securities. Approximately seven entities are required by Rule 489 to file Form F-N, which is estimated to require an average of one hour to complete. The estimated annual burden of complying with the rule's filing requirement is approximately eight hours, as one of the entities has submitted multiple filings.

Under 17 CFR 270.24f-2, any open-end management companies ("mutual funds"), unit investment trusts ("UITs") or face-amount certificate companies (collectively, "funds") that are deemed to have registered an indefinite amount of securities must, not later than 90 days after the end of any fiscal year in which it has publicly offered such securities, file Form 24F-2 with the Commission. Form 24F-2 is the annual notice of securities sold by funds that accompanies the payment of registration fees with respect to the securities sold during the fiscal year.

The Commission estimates that 8,203 funds file Form 24F-2 on the required annual basis. The average annual burden per respondent for Form 24F-2 is estimated to be one hour. The total annual burden for all respondents to Form 24F-2 is estimated to be 8,203 hours.

Compliance with the collection of information required by Form 24F-2 is

mandatory. The Form 24F-2 filing that must be made to the Commission is available to the public.

The estimates of average burden hours are made solely for the purposes of the Act and are not derived from a comprehensive or even representative survey or study of the cost of Commission rules and forms. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: June 16, 2000.
