The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Please note the Secretary's Office will accept only electronic filings during this time. Filings must be made through the Commission's Electronic Document Information System (EDIS, <https://edis.usitc.gov>). Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to § 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21 days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on October 1, 2025, and a public version will be issued thereafter, pursuant to § 207.22 of the Commission's rules.

Hearing.—The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on Thursday, October 16, 2025. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before Thursday, October 9, 2025. Any requests to appear as a witness via videoconference must be included with your request to appear. Further information about participation in the hearing will be posted on the Commission's website at <https://www.usitc.gov/calendarpad/calendar.html>.

A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference, if deemed necessary, to be held at 9:30 a.m. on Tuesday, October 14, 2025. Parties shall file and serve written testimony and presentation slides in connection with their presentation at the hearing by no later than noon on October 15, 2025. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of § 207.23 of the Commission's rules; the deadline for filing is October 8, 2025. Parties shall also file written testimony in connection with their presentation at the hearing, and posthearing briefs, which must conform with the provisions of § 207.25 of the Commission's rules. The deadline for filing posthearing briefs is October 23, 2025. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on

or before October 23, 2025. On November 5, 2025, the Commission will make available to parties all information on which they have not had an opportunity to comment. Additional written submissions to the Commission, including requests pursuant to § 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with §§ 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. SUPPLEMENTARY INFORMATION: The Commission instituted this investigation based on a complaint filed on behalf of Lenovo (United States) Inc. of Morrisville, North Carolina (“Lenovo”). 88 FR 88110 (Dec. 20, 2023). The complaint, as amended and supplemented, alleged violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain electronic computing devices and components thereof by reason of infringement of claims 1, 3, 5, 7, 9, 11, 13, and 15 of U.S. Patent No. 7,760,189 (“the ‘189 patent”); claims 1–21 of the ‘066 patent; claims 1–11 of the ‘354 patent; and claims 1–18 of the ‘203 patent. *Id.* The complaint further alleged that a domestic industry exists. *Id.* The Commission’s notice of investigation named as respondents ASUSTeK Computer Inc., of Taipei, Taiwan and ASUS Computer International of Fremont, CA (“ASUS”). *Id.* at 88111. The Office of Unfair Import

Investigations did not participate in the investigation. *Id.*

The presiding administrative law judge (“ALJ”) held a claim construction hearing on May 16, 2024, and issued a claim construction order on July 15, 2024. Order No. 32 (July 15, 2024).

The following claims were terminated from the investigation at Lenovo’s request: all asserted claims of the ‘189 patent; claims 6, 8–15, and 19–21 of the ‘066 patent; claims 2, 3, 8 and 10 of the ‘354 patent; and claims 1–7, 9–16, and 18 of the ‘203 patent. Order No. 33 (July 16, 2024), *unreviewed*, Comm’n Notice, EDIS Doc. ID 828374 (Aug. 5, 2024); Order No. 38 (Aug. 8, 2024), *unreviewed*, Comm’n Notice, EDIS Doc. ID 831494 (Sept. 5, 2024); Order No. 60 (Sept. 12, 2024), *unreviewed*, Comm’n Notice, EDIS Doc. ID 834090 (Oct. 4, 2024).

The ALJ conducted an evidentiary hearing from September 16, 2024, through September 20, 2024. Lenovo and ASUS filed initial post-hearing briefs on October 4, 2024, and filed post-hearing reply briefs on October 18, 2024.

On February 7, 2025, the ALJ issued the final initial determination (“ID”) on violation of section 337. Lenovo filed a petition for review of that ID, and ASUS filed a contingent petition for review, on February 21, 2025. The parties filed respective replies to each others’ petitions on March 3, 2025.

On April 9, 2025, the Commission extended the date by which it must determine whether to review the final ID to May 1, 2025.

On May 1, 2025, the Commission determined to review the ID in its entirety and sought briefing from the parties on certain issues, including remedy, bonding, and the public interest. The parties filed opening and reply submissions in response to that request on May 15, 2025, and May 22, 2025, respectively.

On June 9, 2025, the Commission extended the target date for completion of this investigation to June 20, 2025.

Having considered the record of the investigation, including the final ID, the parties’ submissions to the ALJ, the parties’ petitions and responses thereto, and the parties’ responses to the Commission’s notice of review, the Commission has determined to affirm the ID’s finding of no violation, make supplemental findings in support of that determination, and take no position on certain subsidiary findings in the ID as detailed in the concurrently issued Commission opinion. Specifically, the Commission has determined that claims 8 and 17 of the ‘203 patent, claims 1–5, 7, and 16–18 of the ‘066 patent, and

claims 1 and 4–6 of the ‘354 patent are not infringed and claims 7, 9, and 11 of the ‘354 patent are invalid. The Commission has determined to take no position on the following issues: whether ASUS demonstrated the knowledge and intent necessary to be liable for inducing infringement of the ‘203 patent, whether the term “resource block” requires both time and frequency components, whether the asserted claims of the ‘203 patent are invalid, whether claims 1 and 4–6 of the ‘354 patent are invalid, and whether the domestic industry requirement is satisfied for the ‘354 patent. This investigation is terminated.

The Commission vote for this determination took place on June 20, 2025.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: June 20, 2025.

Lisa Barton,

Secretary to the Commission.
