Scope of the Order

The merchandise covered by the order is cold-drawn mechanical tubing from India. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution that gives rise to a benefit to the recipient, and the subsidy is specific.⁶ For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Results of Review

For the period January 1, 2019, through December 31, 2019, we preliminarily find that the following net subsidy rates exist:

Company	Subsidy rate (percent ad valorem)
Goodluck India Limited ⁷	5.32
Tube Investments of India Ltd ⁸	7.70

Assessment Rate

Consistent with section 751(a)(2)(C) of the Act, upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries covered by this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Rate

Pursuant to section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts indicated above with regard to shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this review. These cash deposit instructions, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

We will disclose to parties to this proceeding the calculations performed in reaching the preliminary results within five days of the date of publication of these preliminary results.⁹ Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs no later than 30 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than seven days after the date for filing case briefs.¹⁰ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹¹ Case and rebuttal briefs should be filed using ACCESS¹² and must be served on interested parties.¹³ Executive summaries should be limited to five pages total, including footnotes. Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information, until further notice.¹⁴

Interested parties who wish to request a hearing must do so within 30 days of publication of these preliminary results by submitting a written request to the Assistant Secretary for Enforcement and Compliance using Enforcement and Compliance's ACCESS system.¹⁵ Requests should contain the party's name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and

rebuttal briefs.¹⁶ If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm the date and time of the hearing two days before the scheduled date. Parties are reminded that all briefs and hearing requests must be filed electronically using ACCESS and received successfully in their entirety by 5:00 p.m. Eastern Time on the due date.

Final Results of Review

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, Commerce intends to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days after publication of these preliminary results.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.

SUPPLEMENTARY INFORMATION:

Background

On April 8, 2020, in response to review requests from multiple parties, Commerce initiated an administrative review of the antidumping duty order on common alloy aluminum sheet (CAAS) from the People's Republic of China (China).¹ The POR is June 22, 2018, through January 31, 2020. On April 24 and July 21, 2020, Commerce tolled all deadlines in administrative reviews by 50 days and 60 days respectively.² On January 27 and June 2, 2021, Commerce extended the time limit for completing the preliminary results of this review, until June 18, 2021.³

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 19730 (April 8, 2020).

² See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews in Response to Operational Adjustments Due to COVID-19," dated April 24, 2020; see also Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews," dated July 21, 2020.

³ See Memorandum, "Common Alloy Aluminum Sheet from China, 2018–2020: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review," dated January 27, 2021; see also Memorandum, "Common Alloy Aluminum Sheet from China, 2018–2020: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review," dated June 2, 2021.

However, on June 17, 2021, the President signed into law the Juneteenth National Independence Day Act, making June 19 a Federal holiday. See Juneteenth National Independence Day Act, S. 475, Public Law 117–17 (2021). Because the Federal holiday fell on a Saturday, it was observed on Friday, June 18, 2021. Where a deadline falls on a weekend or Federal holiday, the appropriate deadline is the next business day. See *Notice of Clarification: Application of "Next Business Day" Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70

On June 10, 2020, Commerce selected two exporters and/or producers for individual examination as mandatory respondents, Henan Mingtai Aluminum Industrial/Zhengzhou Mingtai Industry Co., Ltd. (collectively, Mingtai), and Jiangyin New Alumax Composite Material (Jiangyin New Alumax).⁴ By the deadline for section A questionnaire responses, July 21, 2020, neither mandatory respondent had submitted a section A questionnaire response. By the deadline for section C–E questionnaire responses, August 6, 2020, neither mandatory respondent had submitted a section C–E questionnaire response. Additionally, on August 18, 2020, Mingtai filed a notice of its intent not to participate in this administrative review.⁵

Because neither Mingtai nor Jiangyin New Alumax responded to Commerce's antidumping questionnaire, on September 28, 2020, Commerce selected Jiangsu Alcha Aluminum Co., Ltd. (Jiangsu Alcha) as an additional mandatory respondent.⁶ During the course of this review, Jiangsu Alcha filed responses to Commerce's questionnaires and supplemental questionnaires, and the Aluminum Association Common Alloy Aluminum Sheet Trade Enforcement Working Group and its individual members⁷ (the petitioner) commented on those responses. Additionally, multiple companies for which Commerce initiated the review filed either no-shipment claims or applications for separate rate status. For details regarding the events that occurred subsequent to the initiation of the review, see the Preliminary Decision Memorandum.⁸ A list of topics

discussed in the Preliminary Decision Memorandum is included as an Appendix to this notice.

The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be found at <https://enforcement.trade.gov/frn/>.

Scope of the Order

The merchandise covered by the order is common alloy aluminum sheet from China. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.

Preliminary Determination of No Shipments

We found no evidence calling into question the no shipment claims by Teknik Aluminium Sanayi A.S. and Companhia Brasileira de Alumínio; therefore, we preliminarily find that these companies had no shipments of subject merchandise to the United States during the POR. For additional information regarding these preliminary determinations, see the Preliminary Decision Memorandum.

Partial Recission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if all parties that requested a review withdraw their requests within 90 days of the publication date of the notice of initiation of the requested review. All parties timely withdrew their requests for administrative review of the following companies: (1) Multipanel UK Ltd., (2) Alumax Composite Material (Jiangyin) Co., Ltd., (3) Chalco Ruimin Co., (4) Granges Aluminum (Shanghai) Co., Ltd., (5) Henan Founder Beyond Industry Co., Ltd., (6) Henan Jinyang Luyue Co., Ltd., (7) Henan Xintai Aluminum Industry Co., Ltd., (8) Henan Zhongyuan Aluminum Co., Ltd., (9) Huaфон Nikkei Aluminum Corporation, (10) Jiangsu Lidao New Material Co., Ltd., (11) Jiangsu Zhong He Aluminum Co., Ltd., (12) Jiangyin Litai Ornamental Materials Co., Ltd., (13) Luoyang Xinlong Aluminum Co., Ltd., (14) Shandong Fuhai Industrial Co., Ltd., (15) Shandong Nanshan Aluminum Co.,

hereby adopted by this notice (Preliminary Decision Memorandum).

Ltd., (16) Shanghai Dongshuo Metal Trade Co., Ltd., (17) Tianjin Zhongwang Aluminum Co., Ltd., (18) Xiamen Xiashun Aluminum Foil Co., Ltd., (19) Yantai Jintai International Trade Co., Ltd., and (20) Zhengzhou Silverstone Limited. Accordingly, Commerce is rescinding this review with respect to these companies, in accordance with 19 CFR 351.213(d)(1). For additional information regarding the rescission of Commerce's administrative reviews, *see* the Preliminary Decision Memorandum.

Preliminary Affiliation and Single Entity Determination

We have determined that Jiangsu Alcha, Alcha International, and Baotou Alcha Aluminum Co., Ltd. (Baotou Alcha) are affiliated entities pursuant to section 771(33)(F) of the Tariff Act of 1930, as amended (the Act). We have also determined that Jiangsu Alcha and Baotou Alcha Aluminum Co., Ltd. (Baotou Alcha) should be treated as a single entity pursuant to 19 CFR 351.401(f)(1)–(2). For additional information, *see* the Affiliation Memorandum.⁹

Separate Rates

We have preliminarily determined that the information placed on the record by Jiangsu Alcha, Alcha International (collectively, Alcha Group), and Yinbang Clad Material Co., Ltd. (Yinbang Clad) demonstrates that these companies are eligible for a separate rate. We have also preliminarily determined that Choil Aluminum Co., Ltd.; Jiangyin New Alumax; Mingtai; PMS Metal Profil Aluminyum San. Ve Tic. A.S. Demirtas Organize Sanayi Bolgesi; and United Metal Coating LLC have not demonstrated their eligibility for a separate rate because they did not file separate rate applications or certifications with Commerce. Therefore, we are treating these companies as part of the China-wide entity. Because no party requested a review of the China-wide entity, the entity is not under review and the entity's rate (*i.e.*, 59.72 percent) is not subject to change.¹⁰

For additional information regarding Commerce's preliminary separate rates determinations, *see* the Preliminary Decision Memorandum.

⁹ See Memorandum, "Preliminary Affiliation and Collapsing Memorandum: Common Alloy Aluminum Sheet from China," dated concurrently with this notice (Affiliation Memorandum).

¹⁰ See *Common Alloy Aluminum Sheet from the People's Republic of China: Antidumping Duty Order*, 84 FR 2813 (February 8, 2019).

Dumping Margins for Separate Rate Companies

The statute and Commerce's regulations do not address what rate to apply to respondents not selected for individual examination when Commerce limits its examination in an administrative review pursuant to section 777A(c)(2) of the Act. Generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation, for guidance when calculating the rate for non-selected respondents that are not examined individually in an administrative review. Section 735(c)(5)(A) of the Act states that the all-others rate should be calculated by averaging the weighted-average dumping margins for individually examined respondents, excluding rates that are zero, *de minimis*, or based entirely on facts available. Where the rates for the individually examined companies are all zero, *de minimis*, or based entirely on facts available, section 735(c)(5)(B) of the Act provides that Commerce may use "any reasonable method" to establish the all-others rate. In this review, we calculated a rate for Alcha Group that is not zero, *de minimis*, or based entirely on facts available. Therefore, we have assigned this rate to the companies not selected for individual examination but that are eligible for a separate rate.

Methodology

Commerce is conducting this administrative review in accordance with section 751(a)(1)(B) of the Act. Commerce calculated export and constructed export prices in accordance with section 772 of the Act. Because Commerce has determined that China is a nonmarket economy country,¹¹ within the meaning of section 771(18) of the Act, Commerce calculated normal value in accordance with section 773(c) of the Act.

For a full description of the methodology underlying the preliminary results of this review, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review

We are preliminarily assigning the following dumping margins to the firms

The summary should be limited to five pages total, including footnotes.¹⁵

Interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice in the **Federal Register**.¹⁶ Requests should contain the party's name, address, and telephone number, the number of individuals from the requesting party's firm that will attend the hearing, and a list of the issues the party intends to discuss at the hearing. date and time of the hearing two days before the scheduled date of the hearing.

All submissions, with limited exceptions, must be filed electronically using ACCESS.¹⁸ An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time (ET) on the due date.¹⁹ Note that Commerce has temporarily modified certain of its requirements for serving documents containing business proprietary information until further notice.²⁰ Unless otherwise extended, Commerce intends to issue the final results of this administrative review, which will include the results of its analysis of issues raised in any briefs, within 120 days of publication of these preliminary results of review in the **Federal Register**, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon issuance of the final results of this review, Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.²¹ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

For each individually examined respondent in this review whose weighted-average dumping margin in the final results of review is not zero or *de minimis* (*i.e.*, less than 0.5 percent), Commerce intends to calculate importer/customer-specific assessment rates, in accordance with 19 CFR 351.212(b)(1).²² Where the respondent reported reliable entered values, Commerce intends to calculate importer/customer-specific *ad valorem*

assessment rates by aggregating the amount of dumping calculated for all U.S. sales to the importer/customer and dividing this amount by the total entered value of the merchandise sold to the importer/customer.²³ Where the respondent did not report entered values, Commerce will calculate importer/customer-specific assessment rates by dividing the amount of dumping for reviewed sales to the importer/customer by the total quantity of those sales. Commerce will calculate an estimated *ad valorem* importer/customer-specific assessment rate to determine whether the per-unit assessment rate is *de minimis*; however, Commerce will use the per-unit assessment rate where entered values were not reported.²⁴ Where an importer/customer-specific *ad valorem* assessment rate is not zero or *de minimis*, Commerce will instruct CBP to collect the appropriate duties at the time of liquidation. Where either the respondent's weighted average dumping margin is zero or *de minimis*, or an importer/customer-specific *ad valorem* assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²⁵

For the respondents that were not selected for individual examination in this administrative review, but which qualified for a separate rate, the assessment rate will be based on the weighted-average dumping margin(s) assigned to the respondent(s), as appropriate, in the final results of this review.²⁶

Pursuant to Commerce's refinement to its practice, for sales that were not reported in the U.S. sales database submitted by an exporter individually examined during this review, Commerce will instruct CBP to liquidate the entry of such merchandise at the dumping margin for the China-wide entity.²⁷ Additionally, where Commerce determines that an exporter under review had no shipments of subject merchandise to the United States during

the POR, any suspended entries of subject merchandise that entered under that exporter's CBP case number during the POR will be liquidated at the dumping margin for the China-wide entity.

In accordance with section 751(a)(2)(C) of the Act, the final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated antidumping duties, where applicable.

Cash Deposit Requirements

Commerce will instruct CBP to require a cash deposit for antidumping duties equal to the weighted-average amount by which the normal value exceeds U.S. price. The following cash deposit requirements will be effective for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice in the **Federal Register**, as provided by section 751(a)(2)(C) of the Act: (1) For the exporters listed in the table above, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review for the exporter (except, if the dumping margin is *de minimis* (*i.e.*, less than 0.5 percent), then the cash deposit rate will be zero for that exporter); (2) for previously investigated or reviewed Chinese and non-Chinese exporters that are not listed in the table above but that have separate rates, the cash deposit rate will continue to be the exporter-specific rate established in the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the rate for the China-wide entity (*i.e.*, 59.72 percent)²⁸ and (4) for all non-Chinese exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the China exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

review withdraw the request within 90 days of the date of publication of the notice of initiation. On April 14, 2020, Sailun⁶ withdrew its request for review of Sailun Group Co., Ltd.; Sailun (Shenyang) Tire Co., Ltd.; Sailun Group (Hong Kong) Co., Limited (previously known as Sailun Jinyu Group (Hong Kong) Co., Limited) and requested Commerce rescind the administrative review with respect to these companies. In the Respondent Selection Memorandum,⁷ we stated our intent to rescind the review of these Sailun companies because the withdrawal of review was timely filed and no other party requested a review of these companies. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the *Order* with respect to Sailun companies noted above.

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁸ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.
