

mobility includes but is not limited to a traumatic brain injury that compromises a veteran's ability to make appropriate decisions based on environmental cues (*i.e.*, traffic lights or dangerous obstacles) or a seizure disorder that causes a veteran to become immobile during and after a seizure event.

(c) *Recognized service dogs.* VA will recognize, for the purpose of paying benefits under this section, the following service dogs:

(1) The dog and veteran must have successfully completed a training program offered by an organization accredited by Assistance Dogs International or the International Guide Dog Federation, or both (for dogs that perform both service- and guide-dog assistance). The veteran must provide to VA a certificate showing successful completion issued by the accredited organization that provided such program.

(2) Dogs obtained before [date of publication of final rule in the **Federal Register**] will be recognized if a guide or service dog training organization in existence before [date of publication of final rule in the **Federal Register**] certifies that the veteran and dog, as a team, successfully completed, no later than [date 1 year after date of publication of final rule in the **Federal Register**], a training program offered by that training organization. The veteran must provide to VA a certificate showing successful completion issued by the organization that provided such program. Alternatively, the veteran and dog will be recognized if they comply with paragraph (c)(1) of this section.

(d) *Authorized benefits.* VA will provide to a veteran enrolled under 38 U.S.C. 1705 only the following benefits for one service dog at any given time in accordance with this section:

(1) A commercially available insurance policy that meets the following minimum requirements:

(i) VA, and not the veteran, will be billed for any premiums, copayments, or deductibles associated with the policy; however, the veteran will be responsible for any cost of care that exceeds the maximum amount authorized by the policy for a particular procedure, course of treatment, or policy year. If a dog requires care that may exceed the policy's limit, the insurer will, whenever reasonably possible under the circumstances, provide advance notice to the veteran.

(ii) The policy will guarantee coverage for all treatment (and associated prescription medications), subject to premiums, copayments, deductibles or annual caps, determined to be medically

necessary, including euthanasia, by any veterinarian who meets the requirements of the insurer.

(iii) The policy will not exclude dogs with preexisting conditions that do not prevent the dog from being a service dog.

(2) Hardware, or repairs or replacements for hardware, that are clinically determined to be required by the dog to perform the tasks necessary to assist the veteran with his or her impairment. To obtain such devices, the veteran must contact the Prosthetic and Sensory Aids Service at his or her local VA medical facility and request the items needed.

(3) Payments for travel expenses associated with obtaining a dog under paragraph (c)(1) of this section. Travel costs will be provided only to a veteran who has been prescribed a service dog by a VA clinician under paragraph (b) of this section. Payments will be made as if the veteran is an eligible beneficiary under 38 U.S.C. 111 and 38 CFR part 70, without regard to whether the veteran meets the eligibility criteria as set for in 38 CFR part 70.

(4) The veteran is responsible for procuring and paying for any items or expenses not authorized by this section. This means that VA will not pay for items such as license tags, non-prescription food, grooming, insurance for personal injury, non-sedated dental cleanings, nail trimming, boarding, pet-sitting or dog-walking services, over-the-counter medications, or other goods and services not covered by the policy. The dog is not the property of VA; VA will never assume responsibility for, or take possession of, any service dog.

(e) *Dog must maintain ability to function as a service dog.* To continue to receive benefits under this section, the service dog must maintain its ability to function as a service dog. If at any time VA learns from any source that the dog is medically unable to maintain that role, or VA makes a clinical determination that the veteran no longer requires the dog, VA will provide at least 30 days notice to the veteran before benefits will no longer be authorized.

(Authority 38 U.S.C. 501, 1714)

3. Revise § 17.154 to read as follows:

§ 17.154 Equipment for blind veterans.

VA may furnish mechanical and/or electronic equipment considered necessary as aids to overcoming the handicap of blindness to blind ex-members of the Armed Forces entitled to disability compensation for a service-connected disability.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R09-OAR-2011-0312; FRL-9319-8]

Revisions to the California State Implementation Plan, San Joaquin Valley Unified Air Pollution Control District (SJVUAPCD)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve revisions to the SJVUAPCD portion of the California State Implementation Plan (SIP). These revisions concern volatile organic compounds (VOCs) from architectural coatings. We are approving a local rule that regulates these emission sources under the Clean Air Act as amended in 1990 (CAA or the Act). We are taking comments on this proposal and plan to follow with a final action.

DATES: Any comments must arrive by July 18, 2011.

ADDRESSES: Submit comments, identified by docket number EPA-R09-OAR-2011-0312, by one of the following methods:

1. *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the on-line instructions.
2. *E-mail:* steckel.andrew@epa.gov.
3. *Mail or deliver:* Andrew Steckel (Air-4), U.S. Environmental Protection Agency Region IX, 75 Hawthorne Street, San Francisco, CA 94105-3901.

Instructions: All comments will be included in the public docket without change and may be made available online at <http://www.regulations.gov>, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through <http://www.regulations.gov> or e-mail. <http://www.regulations.gov> is an "anonymous access" system, and EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send e-mail directly to EPA, your e-mail address will be automatically captured and included as part of the public comment. If EPA cannot read your

comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

Docket: Generally, documents in the docket for this action are available electronically at <http://www.regulations.gov> and in hard copy at EPA Region IX, 75 Hawthorne Street, San Francisco, California. While all documents in the docket are listed at <http://www.regulations.gov>, some information may be publicly available only at the hard copy location (e.g., copyrighted material, large maps), and some may not be publicly available in either location (e.g., CBI). To inspect the

hard copy materials, please schedule an appointment during normal business hours with the contact listed in the **FOR FURTHER INFORMATION CONTACT** section.

FOR FURTHER INFORMATION CONTACT: David Grounds, EPA Region IX, (415) 972-3019, grounds.david@epa.gov.

SUPPLEMENTARY INFORMATION: Throughout this document, “we,” “us” and “our” refer to EPA.

I. The State’s Submittal

A. What rule did the State submit?

Table 1 lists the rule addressed by this proposal with the dates that it was adopted by the local air agency and submitted by the California Air Resources Board (CARB).

TABLE 1—SUBMITTED RULES

| Local agency | Rule No. | Rule title | Adopted | Submitted |
|----------------|----------|------------------------------|----------|-----------|
| SJVUAPCD | 4601 | Architectural Coatings | 12/17/09 | 5/17/10 |

On June 8, 2010, EPA determined that the submittal for SJVUAPCD Rule 4601 met the completeness criteria in 40 CFR part 51, Appendix V, which must be met before formal EPA review.

B. Are there other versions of this rule?

We finalized a limited approval/limited disapproval on an earlier version of Rule 4601 into the SIP on 1/2/04 (69 FR 34). No versions were adopted since then besides the 12/17/09 version.

C. What is the purpose of the submitted rule revision?

VOCs help produce ground-level ozone and smog, which harm human health and the environment. Section 110(a) of the CAA requires States to submit regulations that control VOC emissions. Rule 4601 limits VOC emissions during architectural coating, storage and clean-up operations. EPA’s technical support document (TSD) has more information about this rule.

II. EPA’s Evaluation and Action

A. How is EPA evaluating the rule?

Generally, SIP rules must be enforceable (see section 110(a) of the Act), must require Reasonably Available Control Technology (RACT) for each category of sources covered by a Control Techniques Guidelines (CTG) document as well as each major source in nonattainment areas (see sections 182(a)(2) and (b)(2)), and must not relax existing requirements (see sections 110(l) and 193). The SJVUAPCD regulates an ozone nonattainment area (see 40 CFR part 81), but Rule 4601 does not regulate major sources, so Rule 4601 need not fulfill RACT.

Guidance and policy documents that we use to evaluate enforceability and other requirements consistently include the following:

1. “Issues Relating to VOC Regulation Cutpoints, Deficiencies, and Deviations,” EPA, May 25, 1988 (the Bluebook).
2. “Guidance Document for Correcting Common VOC & Other Rule Deficiencies,” EPA Region 9, August 21, 2001 (the Little Bluebook).
3. Control of Volatile Organic Emissions from Existing Stationary Sources, Volume I: Control Methods for Surface Coating Operations (EPA-450/2-76-028, 11/76, NTIS PB-260-386).
4. National VOC Emission Standards for Architectural Coatings (40 CFR 59 Subpart D, 9/11/98).
5. Technical Review Group’s Proposed Architectural Coatings SCM (CARB, 1989).
6. Suggested Control Measure for Architectural Coatings (CARB, 2000).

B. Does the rule meet the evaluation criteria?

We believe this rule is consistent with the relevant policy and guidance regarding enforceability, RACT, and SIP relaxations. The TSD has more information on our evaluation.

C. EPA Recommendations To Further Improve the Rule

The TSD describes one additional rule revision that we recommend for the next time the local agency modifies the rule but is not currently the basis for rule disapproval.

D. Public Comment and Final Action

Because EPA believes the submitted rule fulfills all relevant requirements, we are proposing to fully approve it as described in section 110(k)(3) of the Act. We will accept comments from the public on this proposal for the next 30 days. Unless we receive convincing new information during the comment period, we intend to publish a final approval action that will incorporate this rule into the federally enforceable SIP.

III. Statutory and Executive Order Reviews

Under the Clean Air Act, the Administrator is required to approve a SIP submission that complies with the provisions of the Act and applicable Federal regulations. 42 U.S.C. 7410(k); 40 CFR 52.02(a). Thus, in reviewing SIP submissions, EPA’s role is to approve State choices, provided that they meet the criteria of the Clean Air Act. Accordingly, this action merely approves State law as meeting Federal requirements and does not impose additional requirements beyond those imposed by State law. For that reason, this action:

- Is not a “significant regulatory action” subject to review by the Office of Management and Budget under Executive Order 12866 (58 FR 51735, October 4, 1993);
- Does not impose an information collection burden under the provisions of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*);
- Is certified as not having a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*);

- Does not contain any unfunded mandate or significantly or uniquely affect small governments, as described in the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4);

- Does not have Federalism implications as specified in Executive Order 13132 (64 FR 43255, August 10, 1999);

- Is not an economically significant regulatory action based on health or safety risks subject to Executive Order 13045 (62 FR 19885, April 23, 1997);

- Is not a significant regulatory action subject to Executive Order 13211 (66 FR 28355, May 22, 2001);

- Is not subject to requirements of Section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the Clean Air Act; and

- Does not provide EPA with the discretionary authority to address disproportionate human health or environmental effects with practical, appropriate, and legally permissible methods under Executive Order 12898 (59 FR 7629, February 16, 1994).

In addition, this rule does not have tribal implications as specified by Executive Order 13175 (65 FR 67249, November 9, 2000), because the SIP is not approved to apply in Indian country located in the State, and EPA notes that it will not impose substantial direct costs on tribal governments or preempt tribal law.

Coast Guard

46 CFR Part 10

[Docket No. USCG-2004-17455]

RIN 1625-AA85

Validation of Merchant Mariners' Vital Information and Issuance of Coast Guard Merchant Mariner's Licenses and Certificates of Registry (MMLs)

AGENCY: Coast Guard, DHS.

ACTION: Notice of intent with request for comments.

SUMMARY: The Coast Guard is advising the public of its intent to finalize regulations previously published as an interim rule on January 13, 2006. The IR was published to amend the maritime personnel licensing rules to include new security requirements when mariners apply for original, renewal, and raise-of-grade licenses and certificates of registry, but was never published as a final rule. Because of the lapse in time since the interim rule publication, the Coast Guard is seeking comments from the public on one remaining section of the interim rule that has remained unfinalized. The Coast Guard intends to finalize this one section of the interim rule.

DATES: Comments must be received on or before August 15, 2011.

ADDRESSES: You may submit comments identified by docket number USCG-2004-17455 using any one of the following methods:

(1) *Federal eRulemaking Portal:*

<http://www.regulations.gov>.

(2) *Fax:* 202-493-2251.

(3) *Mail:* Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590-0001.

(4) *Hand delivery:* Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-366-9329. To avoid duplication, please use only one of these four methods. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or e-mail Mr. Gerald Miante, Maritime Personnel Qualifications Division, Coast Guard; telephone 202-

372-1407, e-mail

Gerald.P.Miante@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Request for Comments

If you submit a comment, please include the docket number for this rulemaking (USCG-2004-17455), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via <http://www.regulations.gov>) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via <http://www.regulations.gov>, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a phone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, click on the "submit a comment" box, which will then become highlighted in blue. In the "Select Document Type" drop down menu select "Proposed Rule" and insert "USCG-2004-17455" in the "Enter Keyword or ID" box. Click "Search" then click on the balloon shape in the "Actions" column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope.

We will consider all comments and material received during the comment period and may change this proposed rule based on your comments.

Viewing Comments and Documents
