

“Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

The Proposed Amendment

Accordingly, pursuant to the authority delegated to me, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for 14 CFR part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g), 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.9Y, Airspace Designations and Reporting Points, dated August 6, 2014 and effective September 15, 2014, is amended as follows:

Paragraph 5000 Class D airspace.

* * * * *

ANM UT D Ogden-Hinckley Airport, UT [Modified]

Ogden-Hinckley Airport, UT
(Lat. 41°11'44" N., long. 112°00'47" W.)
Hill AFB, UT
(Lat. 41°07'26" N., long. 111°58'23" W.)

That airspace extending upward from the surface up to, but not including, 7,800 feet within a 4.3-mile radius of the Ogden-Hinckley Airport, and that airspace beginning at a point where the Ogden-Hinckley 216° radial intersects the Hill AFB 4.6-mile radius to the point where the Ogden-Hinckley 231° radial intersects the 4.3-mile radius, thence clockwise along the 4.3-mile radius to where the Ogden-Hinckley 84° radial intersects the 4.3-mile radius to the point where the Ogden-Hinckley 99° radial intersects the Hill AFB 4.6-mile radius, excluding the portion southeast of a line beginning where the 216° radial intersects the Hill AFB 4.6-mile radius, thence northeast to lat. 41°10'21" N., long. 112°00'55" W.; to lat. 41°10'56" N., long. 111°59'19" W.; to a point where the Ogden-Hinckley 99° radial intersects the Hill AFB 4.6-nm radius. This airspace is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be published in the Airport/Facility Directory.

Paragraph 6004 Class E airspace areas designated as an extension to Class D or Class E surface area.

* * * * *

ANM UT E4 Ogden-Hinckley Airport, UT [New]

Ogden-Hinckley Airport, UT
(Lat. 41°11'44" N., long. 112°00'47" W.)
Hill AFB, UT
(Lat. 41°07'26" N., long. 111°58'23" W.)

That airspace extending upward from the surface 4 miles north and parallel to the 225° radial of the Ogden-Hinckley Airport, extending from the 4.3-mile radius to 16 miles southwest of the airport, thence southeast to lat. 41°2'40" N., long. 112°20'4" W., thence northeast to the point where the Ogden-Hinckley 99° radial intersects the Hill AFB 4.6-nm radius.

Paragraph 6005 Class E airspace areas extending upward from 700 feet or more above the surface of the earth.

* * * * *

ANM UT E5 Ogden-Hinckley Airport, UT [Modified]

Ogden-Hinckley Airport, UT
(Lat. 41°11'44" N., long. 112°00'47" W.)

That airspace extending upward from 700 feet above the surface within a 5.3-mile radius of Ogden-Hinckley Airport, and that airspace 3 miles either side of the 294° radial from the airport extending from the 5.3-mile radius to 11 miles northwest of the airport, and that airspace 4 miles either side of the Ogden-Hinckley 226° radial from the 5.3-mile radius to 13 miles southwest of the airport.

Issued in Seattle, Washington, on April 21, 2015.

Christopher Ramirez,

*Acting Manager, Operations Support Group,
Western Service Center.*

BILLING CODE 4901–13P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 147

[Docket No. USCG–2015–0247]

RIN 1625–AA00

Safety Zone; POLAR PIONEER, Outer Continental Shelf Drill Unit, Chukchi Sea, Alaska

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes a safety zone that extends 500 meters from the outer edge of the DRILL UNIT POLAR PIONEER, as well as 500 meters from those points, suitably marked by a buoy, where the DRILL UNIT POLAR PIONEER's mooring spread meets the ocean's surface. This safety zone would be in effect both when the DRILL UNIT POLAR PIONEER is anchored and when deploying and recovering moorings. Placing a safety zone around the drilling

unit will significantly reduce the threat of allisions, which could result in oil spills and releases of natural gas, and thereby protects the safety of life, property, and the environment. Lawful demonstrations may be conducted outside of the safety zone.

DATES: Comments and related material must be received by the Coast Guard on or before June 1, 2015.

ADDRESSES: You may submit comments identified by docket number USCG–2015–0247 using any one of the following methods:

(1) *Federal eRulemaking Portal:*

<http://www.regulations.gov>.

(2) *Fax:* 202–493–2251.

(3) *Mail:* Docket Management Facility (M–30), U.S. Department of Transportation, West Building Ground Floor, Room W12–140, 1200 New Jersey Avenue SE., Washington, DC 20590–0001.

(4) *Hand delivery:* Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or email LCDR Jason Boyle, Seventeenth Coast Guard District (dpi); telephone 907–463–2821, Jason.t.boyle@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl F. Collins, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

A. Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided.

1. Submitting Comments

If you submit a comment, please include the docket number for this rulemaking (USCG–2015–0247), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via <http://www.regulations.gov>)

www.regulations.gov) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via <http://www.regulations.gov>, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an email address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, type the docket number USCG–2015–0247 in the “SEARCH” box and click “SEARCH.” Click on “Submit a Comment” on the line associated with this rulemaking.

If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

2. Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number USCG–2015–0247 in the “SEARCH” box and click “SEARCH.” Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

3. Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008 issue of the **Federal Register** (73 FR 3316).

4. Public Meeting

The Coast Guard does not plan to hold a public meeting. But you may submit a request for one by using one of the four methods specified under **ADDRESSES**. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the **Federal Register**.

B. Basis and Purpose

The Coast Guard proposes the establishment of a temporary safety zone around the DRILL UNIT POLAR PIONEER while anchored or deploying and recovering moorings on location in order to drill exploratory wells in several prospects located in the Chukchi Sea during the 2015 drilling season. The purpose of the temporary safety zone is to protect the drilling unit from vessels operating outside the normal shipping channels and fairways.

The request for the temporary safety zone was made by Shell Exploration & Production Company due to safety concerns for both the personnel aboard the DRILL UNIT POLAR PIONEER and the environment. Shell Exploration & Production Company indicated that it is highly likely that any allision or inability to identify, monitor or mitigate any risks or threats, including ice-related hazards that might be encountered, may result in a catastrophic event. Incursions into the safety zone by unapproved vessels could degrade the ability to monitor and mitigate such risks. In evaluating this request, the Coast Guard explored relevant safety factors and considered several criteria, including but not limited to: (1) The level of shipping activity around the operation; (2) safety concerns for personnel aboard the vessel; (3) concerns for the environment given the sensitivity of the environmental and the importance of fishing and hunting to the indigenous population; (4) the lack of any established shipping fairways, and fueling and supply storage/operations which increase the likelihood that an allision would result in a catastrophic event; (5) the recent and potential future maritime traffic in the vicinity of the proposed areas; (6) the types of vessels navigating in the vicinity of the proposed area; (7) the structural configuration of the vessel, and (8) the need to allow for lawful demonstrations without endangering the safe operation of the vessel.

Results from a thorough and comprehensive examination of the criteria, IMO guidelines, and existing

regulations warrant the establishment of the proposed temporary safety zone. A safety zone would significantly reduce the threat of allisions that could result in oil spills, and other releases. Furthermore, a safety zone would increase the safety of life, property, and the environment in the Chukchi Sea by prohibiting entry into the zone unless specifically authorized by the Commander, Seventeenth Coast Guard District, or a designated representative. Due to the remote location and the need to protect the environment, the Coast Guard may use criminal sanctions to enforce the safety zone as appropriate.

Shell Exploration & Production Company has proposed and received permits for drill sites within the Burger prospects, Chukchi Sea, Alaska.

Based on the anticipated drilling operations, we believe a safety zone is needed be around the DRILL UNIT POLAR PIONEER while anchored or deploying and recovering moorings on location in order to drill exploratory wells in various locations in the Chukchi Sea Outer Continental Shelf, Alaska during the 2015 timeframe.

The actual order of drilling activities will be controlled by an interplay between actual ice conditions immediately prior to a rig move, ice forecasts, any regulatory restrictions with respect to the dates of allowed operating windows, whether the planned drilling activity involves only drilling the shallow non-objective section or penetrating potential hydrocarbon zones, the availability of permitted sites having approved shallow hazards clearance, the anticipated duration of each contemplated drilling activity, the results of preceding wells and Marine Mammal Monitoring and Mitigation plan requirements.

All planned exploration drilling in the identified lease will be conducted with the DRILL UNIT POLAR PIONEER. While conducting exploration drilling operations, the DRILL UNIT POLAR PIONEER will be anchored using an anchoring system consisting of an 8-point anchored mooring spread attached to the onboard turret and could have a maximum anchor radius of 3,600 ft (1,100 m). The center point of the DRILL UNIT POLAR PIONEER will be positioned within the prospect location in the Chukchi Sea.

The DRILL UNIT POLAR PIONEER will move into the Chukchi Sea on or about July 1, 2015 and onto a prospect location when ice allows. Drilling will conclude on or before October 31, 2015. The drillship and support vessels will depart the Chukchi Sea at the conclusion of the 2015 drilling season.

C. Discussion of Proposed Rule

The proposed temporary safety zone would encompass the area that extends 500 meters from the outer edge of the DRILL UNIT POLAR PIONEER, as well as 500 meters from those points, suitably marked by a buoy, where the DRILL UNIT POLAR PIONEER's mooring spread meets the ocean's surface. As a result, the size and shape of the safety zone would vary, depending on how far from the vessel the mooring spread is deployed, which is expected to be no more than 1,000 meters. This safety zone would be in effect when the DRILL UNIT POLAR PIONEER is on location in order to drill exploratory wells at various prospects located in the Chukchi Sea Outer Continental Shelf, Alaska, from 12:01 a.m. on July 1, 2015 through 11:59 p.m. on October 31, 2015.

This safety zone will be in effect both when the DRILL UNIT POLAR PIONEER is anchored and when deploying and recovering moorings. As a result, the size and shape of the safety zone will vary, depending on how far from the vessel the mooring spread is deployed, which is expected to be no more than 1,000 meters. No vessel would be allowed to enter or remain in this proposed safety zone except the following: An attending vessel or a vessel authorized by the Commander, Seventeenth Coast Guard District or a designated representative. They may be contacted on VHF-FM Channel 13 or 16 or by telephone at 907-463-2000. For any group intending to conduct lawful demonstrations in the vicinity of the rig, these demonstrations must be conducted outside the safety zone.

D. Regulatory Analyses

The Coast Guard developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 14 of these statutes or executive orders.

1. Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review as supplemented by Executive Order 13563, Improving Regulation and regulatory Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of Executive Order 12866 or Section 1 of Executive Order 13563. The Office of Management and Budget has not reviewed it under that Order.

We expect the economic impact of this rule will not rise to the level of necessitating a full Regulatory

Evaluation. This rule is not a significant regulatory action due to the location of the DRILL UNIT POLAR PIONEER on the Outer Continental Shelf and its distance from both land and safety fairways. Vessels traversing waters near the proposed safety zone will be able to safely travel around the zone without incurring additional costs.

2. Small Entities

Under the Regulatory Flexibility Act of 1980 (5 U.S.C. 601–612), the Coast Guard has considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. This proposed rule would affect the following entities, some of which might be small entities: The owners or operators of vessels intending to transit or anchor in the Burger Prospects of the Chukchi Sea.

This safety zone will not have a significant economic impact or a substantial number of small entities for the following reasons: This rule will enforce a safety zone around a drilling unit facility that is in areas of the Chukchi Sea not frequented by vessel traffic and is not in close proximity to a safety fairway. Further, vessel traffic can pass safely around the safety zone without incurring additional costs.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (see **ADDRESSES**) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

3. Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact LCDR Jason Boyle, Coast Guard Seventeenth District, Office of Prevention; telephone 907–

463–2821, Jason.t.boyle@uscg.mil. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

4. Collection of Information

This proposed rule would call for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520.).

5. Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

6. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

7. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000.00 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

8. Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children

The Coast Guard has analyzed this proposed rule under Executive Order

13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

The Coast Guard analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. A preliminary environmental analysis checklist supporting this determination is available in the docket where indicated under **ADDRESSES**. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule. This rule is categorically excluded from further review under paragraph 34(g) of Figure 2-1 of the Commandants Instruction.

List of Subjects in 33 CFR Part 147

Continental shelf, Marine safety, Navigation (water).

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 147 as follows:

PART 147—SAFETY ZONES

■ 1. The authority citation for part 147 continues to read as follows:

Authority: 14 U.S.C. 85; 43 U.S.C. 1333; Department of Homeland Security Delegation No. 0170.1.

■ 2. Add § 147.T17-0247 to read as follows:

§ 147.T17-0247 Safety Zone; DRILL UNIT POLAR PIONEER, Outer Continental Shelf Drillship, Chukchi Sea, Alaska.

(a) *Description.* The DRILL UNIT POLAR PIONEER will be engaged in exploratory drilling operations at various locations in the Chukchi Sea from July 1, 2015 through October 31, 2015. The DRILL UNIT POLAR PIONEER will be anchored while conducting exploratory drilling operations with the center point of the vessel located in various locations in the Chukchi Sea. The area that extends 500 meters from the outer edge of the DRILL UNIT POLAR PIONEER, as well as 500 meters from those points, suitably marked by a buoy, where the DRILL UNIT POLAR PIONEER's mooring spread meets the ocean's surface is a safety zone. Lawful demonstrations may be conducted outside of the safety zone.

(b) *Regulation.* No vessel may enter or remain in this safety zone except the following:

(1) An attending vessel; or

(2) A vessel authorized by the Commander, Seventeenth Coast Guard District, or a designated representative.

Dated: April 8, 2015.

Daniel B. Abel,

Rear Admiral, U.S. Coast Guard, Commander, Seventeenth Coast Guard District.

BILLING CODE 9110-04-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2015-0246]

RIN 1625-AA00

Safety Zone—Oil Exploration Staging Area in Dutch Harbor, AK

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Coast Guard proposes temporary safety zones in the Port of Dutch Harbor, Broad Bay, and adjacent navigable waters in the Dutch Harbor area on June 15, 2015. The temporary safety zones would encompass the

navigable waters within a 25-yard radius of moored or anchored offshore exploration or support vessels, and the navigable waters within a 100-yard radius of underway offshore exploration or support vessels. The purpose of the safety zones is to protect persons and vessels during an unusually high volume of vessel traffic in the Port of Dutch Harbor, and the adjacent territorial sea due to additional vessel traffic associated with exploratory drilling operations in the Chukchi and Beaufort seas during the summer of 2015. Lawful demonstrations are permitted outside of the temporary safety zones so long as they do not endanger the safety of vessels either moored or anchored within the port, transiting through the port, or transiting through the adjacent waters of the territorial sea.

DATES: Comments and related material must be received by the Coast Guard on or before June 1, 2015.

ADDRESSES: You may submit comments identified by docket number USCG-2015-0246 using any one of the following methods:

(1) *Federal eRulemaking Portal:*

<http://www.regulations.gov>.

(2) *Fax:* 202-493-2251.

(3) *Mail or Delivery:* Docket Management Facility, Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., Washington, DC 20590-0001. Deliveries accepted between 9 a.m. and 5 p.m., Monday through Friday, except federal holidays. The telephone number is 202-366-9329.

See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section below for further instructions on submitting comments. To avoid duplication, please use only one of these three methods.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LT Heikki Laukkanen, Sector Anchorage Prevention, Coast Guard; telephone 907-428-4186, email Heikki.J.Laukkanen@uscg.mil. If you have questions on viewing or submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone 202-366-9826.
