Request for Comment on Information Collection Proposal

The Board invites public comment on the following information collections, which are being reviewed under authority delegated by the OMB under the PRA. Comments are invited on the following:

- Whether the proposed collections of information are necessary for the proper performance of the Board's functions, including whether the information has practical utility;
- The accuracy of the Board's estimate of the burden of the proposed information collections, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, utility, and clarity of the information to be collected;
- Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and
- Estimates of capital or startup costs and costs of operation, maintenance, and purchase of services to provide information.

At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the Board should modify the proposal.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Semiannual Report of Derivatives Activity.

Collection identifier: FR 2436.

OMB control number: 7100-0286.

General description of collection: The FR 2436 collects derivatives market statistics from the eight largest U.S. dealers of over-the-counter (OTC) derivatives. Data are collected on the notional amounts and gross fair values of the volumes outstanding of broad categories of foreign exchange, interest rate, equity, commodity-linked, and credit default swap OTC derivatives contracts across a range of underlying currencies, interest rates, and equity markets. The FR 2436 is part of the U.S. portion of a global data collection conducted by central banks. The primary objective of the Board's participation in this collection is to obtain reasonably comprehensive and internationally consistent data on the size and structure of global OTC financial derivatives markets.

Frequency: Semiannually.

Respondents: U.S. dealers of OTC derivatives.

Total estimated number of respondents: 8.

Total estimated annual burden hours: 3,898.
