BILLING CODE 6560–50–P

**DEPARTMENT OF DEFENSE**

**Defense Acquisition Regulations System**

**48 CFR Part 201**

**RIN 0750–AF30**

**Defense Federal Acquisition Regulation Supplement; Contracting Officers’ Representatives (DFARS Case 2005–D022)**

**AGENCY:** Defense Acquisition Regulations System, Department of Defense (DoD).

**ACTION:** Final rule.

**SUMMARY:** DoD has issued a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to update text pertaining to the designation of a contracting officer’s representative. The rule clarifies the authority of a contracting officer’s representative and relocates text to the DFARS companion resource, Procedures, Guidance, and Information.

**DATES:** *Effective Date:* December 1, 2006.

**FOR FURTHER INFORMATION CONTACT:** Ms. Robin Schulze, Defense Acquisition Regulations System, OUSD(AT&L)DPAP(DARS), IMD 3C132, 3062 Defense Pentagon, Washington, DC 20301–3062. Telephone (703) 602–0326; facsimile (703) 602–0350. Please cite DFARS Case 2005–D022.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

This final rule revises DFARS text addressing contracting officers’ representatives. The DFARS changes—

- Clarify the authority of a contracting officer’s representative; and
- Remove internal DoD procedures relating to the designation of a contracting officer’s representative. Text on this subject has been relocated to the DFARS companion resource, Procedures, Guidance, and Information (PGI), available at <http://www.acq.osd.mil/dpap/dars/pgi>.

DoD published a proposed rule at 71 FR 27659 on May 12, 2006. One source submitted comments on the proposed rule. That source recommended revising the rule at 201.602–2(2)(v) to require that the contracting officer include a copy of the written designation of the contracting officer’s representative in the official contract file. DoD agrees with the recommended requirement for file documentation, but, since this is an

administrative matter internal to the Government, DoD has added the requirement to the corresponding text at PGI 201.602–2. DoD has adopted the proposed DFARS rule as a final rule without change.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

**B. Regulatory Flexibility Act**

DoD certifies that this final rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule addresses internal DoD procedural matters and makes no significant change to DoD contracting policy.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply, because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*

**Defense Federal Acquisition Regulation Supplement; Levy on Payments to Contractors**

**AGENCY:** Defense Acquisition Regulations System, Department of Defense (DoD).

**ACTION:** Final rule.

**SUMMARY:** DoD has adopted as final, with changes, an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to address the effect of Internal Revenue Service (IRS) levies on contract payments. The rule requires DoD contractors to promptly notify the contracting officer if a levy may result in an inability to perform a contract.

**DATES:** *Effective Date:* December 1, 2006.

**FOR FURTHER INFORMATION CONTACT:** Mr. Bill Sain, Defense Acquisition Regulations System, OUSD(AT&L)DPAP(DARS), IMD 3C132, 3062 Defense Pentagon, Washington, DC 20301–3062. Telephone (703) 602–0293; facsimile (703) 602–0350. Please cite DFARS Case 2004–D033.

**SUPPLEMENTARY INFORMATION:****A. Background**

DoD published an interim rule at 70 FR 52031 on September 1, 2005, addressing policy and procedures that apply when an IRS levy may result in a contractor's inability to perform a DoD contract. DoD received comments from 6 sources in response to the interim rule. DoD considered all comments and has incorporated the following changes in the final rule:

DFARS 212.301(f)—Addition of a prescription for use of the clause at 252.232–7010, Levies on Contract Payments, in contracts for the acquisition of commercial items.

DFARS 232.7101 and 252.232–7010—Clarification that the requirement for the contractor to notify the contracting officer applies in situations where the levy may result in an “inability to perform the contract.” This change eliminates the term “jeopardize contract performance,” since that term may be understood as establishing a different standard than causing an inability to perform.

DFARS 232.7102—Exclusion of micro-purchases from the requirement to use the clause at 252.232–7010.
