

competitive interest in the unleased Federal coal for this area. The alternate tract configuration that BLM has identified is described and analyzed as a separate alternative in the FEIS. Under this alternative, a competitive sale would be held and a lease would be issued for Federal coal lands included in a tract modified by the BLM. The FEIS also analyzes the alternative of rejecting the application to lease Federal coal as the No Action Alternative. The Proposed Action and alternatives being considered in the FEIS are in conformance with the Approved Resource Management Plan for Public Lands Administered by the Bureau of Land Management Buffalo Field Office (2001), the Bureau of Land Management Casper Field Office Resource Management Plan (2007), and the USDA-Forest Service Land and Resource Management Plan for the Thunder Basin National Grassland (2002). A Record of Decision (ROD) will be prepared after the close of the 30-day review period for the FEIS. Comments received on the FEIS will be considered during preparation of the ROD.

Four copies of the FEIS will be included on the mailing list for this project. Please make requests for copies in writing, by facsimile, or electronically to the addresses listed at the beginning of this notice. The BLM asks that those submitting comments on the FEIS make them as specific as possible with reference to page numbers and chapters of the document. Comments that contain only opinions or preferences will not receive a formal response; however, they will be considered as part of the BLM decision-making process. Please note that comments and information submitted including names, street addresses, and e-mail addresses of respondents will be available for public review and disclosure at the BLM Casper Field Office during regular business hours (7:45 a.m. through 4:30 p.m.), Monday through Friday, except holidays. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, please be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you may ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
