

(P.L. 104–134 Section 31001(x) of 31 U.S.C. 7701, requires that agencies collect tax identification numbers from all persons doing business with the Government for purposes of collecting delinquent debts. The services of an inspector to clear imported and exported commodities are covered by user fees during regular working hours. If an importer/exporter wishes to have a shipment of cargo or animals cleared at other hours, such services will usually be provided on a reimbursable overtime basis, unless already covered by a user fee. The Animal and Plant Health Inspection Service (APHIS) will collect information using APHIS form 192, Application for Credit Account and Request for Service.

Need and Use of the Information: APHIS will collect information to conduct a credit check on prospective applicants to ensure creditworthiness prior to extending credit services. Without this information, customers (including small business) will have to pay each time a service is provided.

Description of Respondents: Business or other for-profit; Individuals or households; Not-for-profit institutions; Federal Government.

Number of Respondents: 256.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 64.

Animal Plant & Health Inspection Service

Title: Pseudorabies in Swine; Payment to Indemnity.

OMB Control Number: 0579–0137.

Summary of Collection: The United States Department of Agriculture is responsible for preventing the interstate spread of pests and diseases of livestock within the United States and for conducting eradication programs. The Animal and Plant Health Inspection Service (APHIS) established an accelerated pseudorabies program, including the payment of indemnity, to further pseudorabies eradication efforts in cooperation with States and industry and to protect swine not infected with pseudorabies from the disease.

Pseudorabies is a contagious, infectious, and communicable disease of livestock, primarily swine. Regulations in 9 CFR part 85 govern the interstate movement of swine and other livestock (cattle, sheep, and goats) in order to help prevent the spread of pseudorabies. APHIS will collect information using several APHIS forms.

Need and Use of the Information: APHIS will collect information on the number of animals being relinquished, their estimated weight, the market price of the animals for the particular week,

and the total compensation amount that the owner can expect to receive. If the information were not collected, APHIS would not be able to launch the accelerated pseudorabies eradication program.

Description of Respondents: Business or other for-profit; Farms; State, Local or Tribal Government.

Number of Respondents: 5,700.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 3,156.
