Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities Under Emergency Review by the Office of Management and Budget

The Substance Abuse and Mental Health Services Administration (SAMHSA) has submitted the following request (see below) for emergency OMB review under the Paperwork Reduction Act (44 U.S.C. Chapter 35). OMB approval has been requested by November 24, 2004. A copy of the information collection plans may be obtained by calling the SAMHSA Reports Clearance Officer on (240) 276-1243.

Title: SAMHSA Suicide Prevention Hotline Networking Form.

OMB Number: 0930-New.

Frequency: One-time-only.

Affected public: Non-Profit Institutions.

Section 520A of the Public Health Service (PHS) Act [42 U.S.C. 290bb-32] authorizes the Administrator of the Substance Abuse and Mental Health Services Administration (SAMHSA) to establish the Suicide Prevention Hotline program as part of its mandate to address priority mental health needs of regional and national significance. Each year, beginning with the 2001 appropriations bill, Congress has directed that funding be provided for the Suicide Prevention Hotline program, through which SAMHSA has established the National Suicide Prevention Hotline Network.

The National Suicide Prevention Hotline Network consists of a single toll-free telephone number that routes calls from anywhere in the United States to a network of local crisis centers that can link callers to local emergency, mental health, and social service resources. Behind the scenes is a computerized "routing system," which matches each incoming call to a complex array of crisis center characteristics, and rapidly links the caller to the nearest available, appropriate crisis center.
