NUCLEAR REGULATORY COMMISSION

[Docket No. NRC-2014-0089]

Agency Information Collection Activities: Submission for the Office of Management and Budget (OMB) Review; Comment Request

AGENCY: Nuclear Regulatory Commission.

ACTION: Notice of the OMB review of information collection and solicitation of public comment.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) has recently submitted to OMB for review the following proposal for the collection of information under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The NRC published a **Federal Register** notice with a 60-day comment period on this information collection on May 20, 2014.

1. *Type of submission, new, revision, or extension:* Extension.

2. *The title of the information collection:* 10 CFR Part 81, "Standard Specifications for the Granting of Patent Licenses."

3. *Current OMB approval number:* 3150-0121.

4. *The form number if applicable:* Not applicable.

5. *How often the collection is required:* Applications for licenses are submitted once. Other reports are submitted annually or as events require.

6. *Who will be required or asked to report:* Applicants for and holders of NRC licenses to inventions covered by patents or patent applications.

7. *An estimate of the number of annual responses:* 1.

8. *The estimated number of annual respondents:* 1.

9. *An estimate of the total number of hours needed annually to complete the requirement or request:* 37; however, no applications are anticipated during the next 3 years.

10. *Abstract:* As specified in part 81 of Title 10 of the *Code of Federal Regulations*, the NRC may grant non-exclusive licenses or limited exclusive licenses to its patent inventions to responsible applicants. Applicants for licenses to NRC inventions are required to provide information which may provide the basis for granting the requested license. In addition, all license holders must submit periodic
