DEPARTMENT OF ENERGY

Office of Energy Efficiency and Renewable Energy

Proposed Agency Information Collection

AGENCY: Office of Energy Efficiency and Renewable Energy, U.S. Department of Energy.

ACTION: Notice and request for comments.

SUMMARY: The Department of Energy (DOE) is submitting to the Office of Management and Budget (OMB) for clearance a proposal for collection of information under the provisions of the Paperwork Reduction Act of 1995. The proposed collection will support a National Evaluation of DOE's American Recovery and Reinvestment Act (ARRA) funded Energy Efficiency and Conservation Block Grant program.

A 60-day notice and request for comments was published in the **Federal Register** on February 15, 2012 (77 FR 8852). No comments were received in response to this Notice.

This subsequent 30-day notice allows public comment on the final version of the information collection request. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. Information about the outcomes of the program, including energy and cost savings, the net number of jobs created or retained, and gross reductions in carbon emissions, is needed for a comprehensive evaluation of the program.

DATES: Comments regarding this proposed information collection must
