DEPARTMENT OF COMMERCE

Census Bureau

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; National Survey of Children’s Health Longitudinal Cohort

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for

review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. Public comments were previously requested via the **Federal Register** on November 21, 2022 during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: U.S. Census Bureau, Department of Commerce.

Title: National Survey of Children’s Health Longitudinal Cohort.

OMB Control Number: 0607-XXXX.

Form Number(s): NSCH-LCS (English screener questionnaire), NSCH-LCS-S (Spanish screener questionnaire), NSCH-LC1 (English topical questionnaire for children 3- to 5-years-old), NSCH-LC2_3 (English topical questionnaire for children 6- to 17-years-old), NSCH-LC4 (English topical questionnaire for young adults 18- to 24-years-old), NSCH-LC1-S (Spanish topical questionnaire for children 3- to 5-years-old), NSCH-LC2_3-S (Spanish topical questionnaire for children 6- to 17-years-old), NSCH-LC4-S (Spanish topical questionnaire for young adults 18- to 24-years-old).

Type of Request: Regular submission, New Information Collection Request.

Number of Respondents: 5,130 for the screener only and 39,870 for the combined screener and topical, for a total of 45,000 respondents.

Average Hours per Response: 5 minutes per screener response and 35 minutes per topical response, which in total is approximately 40 minutes for households with eligible children and young adults.

Burden Hours: 30,328.

Needs and Uses: There is a great need for data to assess the effects of the COVID-19 pandemic on U.S. children, young adults, and their families. The proposed content collected on the National Survey of Children’s Health—Longitudinal Cohort (NSCH-LC) will aid in illuminating key risk and protective factors for this cohort and help to identify gaps in health care and education during this period. As a result of this data collection, the U.S. Department of Health and Human Services’ Health Resources Services Administration’s Maternal and Child Health Bureau (HRSA MCHB), other government agencies, and other data users will be able to produce unique data on the physical and emotional health of 3- to 24-year-olds in the
