

Technology Transfer Centers (MHTTC), and Prevention Technology Transfer Centers (PTTC) networks five-year funding cycle. The Technology Transfer Centers (TTCs) program is comprised of three networks (ATTC, MHTTC, and PTTC), which all use the same website and training and technical assistance platform. If the three networks are competed in different years and new organizations become award recipients of TTC programs, the structure of the common platform may be compromised. By competing the TTCs at the same time, if changes occur in award recipients, the new award recipients will be able to restructure the website and training platform within the first three months of the new funding cycle without disruptions.

Funding Opportunity Title: American Indian and Alaska Native Addiction Technology Transfer Centers (AI/AN ATTC) Cooperative Agreement NOFO TI-18-001.

Assistance Listing Number: 93.243.

Authority: ATTC cooperative agreements are authorized under Section 509 of the Public Health Service Act, as amended.

Justification: Eligibility for this supplemental funding is limited to the AI/AN ATTC funded in FY 2018 under the AI/AN ATTC Cooperative Agreement NOFO TI-18-001, as it is currently providing nationally focused treatment and recovery training activities that will continue to be funded through this supplement.
