Activities that would constitute take of S-CCC steelhead include: capture, handling and transport, tagging, and temporary rearing in captivity. The RRMP includes measures to minimize the likelihood of ecologic effects to naturally produced S-CCC steelhead resulting from operations at the facility, and rescue and relocation activities. Post-release monitoring activities conducted by the District will collect necessary data to document achievement of performance indicators specified in the RRMP. For a more detailed discussion of these activities, please see the application 14741-2R.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Notice Claiming Status as an Exempt Transfer Agent.

Collection identifier: FR 4013.

OMB control number: 7100-0137.

General description of collection: Transfer agents, which are institutions that provide securities transfer, registration, monitoring, and other specified services on behalf of securities issuers, are generally subject to certain Securities and Exchange Commission (SEC) regulations. However, a transfer agent that is regulated by and registered with the Board (a Board-regulated transfer agent) may request an exemption from those regulations if it transfers and processes a low volume of securities. A transfer agent is Board-regulated if it is a state member bank or a subsidiary thereof, a bank holding company, or a savings and loan holding company. A Board-regulated transfer agent may request an exemption from the SEC regulations by filing with the Board a notice certifying that it qualifies as a low-volume transfer agent. In addition, a Board-regulated low-volume transfer agent that no longer meets the requirements of being a low-volume transfer agent must notify the Board of that fact.

Frequency: Event-generated.

Respondents: Board-regulated transfer agents.

Total estimated number of respondents: 2.

Total estimated annual burden hours: 4.

Board of Governors of the Federal Reserve System, March 24 2025.

Benjamin W. McDonough,

Deputy Secretary and Ombuds of the Board.
