These resources and values include the geological, cultural, archaeological, paleontological, natural, scientific, recreational, wilderness, wildlife, riparian, historical, educational, and scenic resources of the public lands; and the water resources of area streams based on seasonally available flows that are necessary to support aquatic, riparian, and terrestrial species and communities.

According to the Act, the 10-member Council is to include, to the extent practicable:

Letters of reference can be from an organization or from anyone who is familiar with the nominee's ability to speak as an expert on the topic of interest. Nominations are open to new and currently seated members. The Grand Junction and Uncompahgre field offices will review the nomination packages in coordination with the affected counties and the Governor of Colorado before forwarding recommendations to the Secretary, who will make the appointments.
