

prevention information statewide, and to fulfill the expectations of the original funded application. These replacement grants will also ensure that there is no delay or gap in poison center services.

The State of New York has determined that the Research Foundation of SUNY and the New York City Health & Hospitals Corporation are the best qualified grantees for this award. On December 13, 2010, the State provided HRSA with a letter designating the two centers as the official poison centers of New York and assigning them specific service areas.
