Title of Collection: PLUS Adverse Credit Reconsideration Loan Counseling.

OMB Control Number: 1845-0129.

Type of Review: Extension without change of a currently approved ICR.

Respondents/Affected Public: Individuals or Households.

Total Estimated Number of Annual Responses: 142,824.

Total Estimated Number of Annual Burden Hours: 107,119.

Abstract: Section 428B(a)(1)(A) of the Higher Education Act of 1965, as amended (HEA), provides that to be eligible to receive a Federal PLUS Loan under the Federal Family Education Loan (FFEL) Program, the applicant must not have an adverse credit history, as determined pursuant to regulations promulgated by the Secretary. In accordance with section 455(a)(1) of the HEA, this same eligibility requirement applies to applicants for PLUS loans under the Direct Loan Program. Since July 1, 2010, there have been no new FFEL Program loans originated and the Direct Loan Program is the only Federal loan program that offers Federal PLUS Loans.

The adverse credit history section of the eligibility regulations in 34 CFR 685.200 (b) and (c) were updated in 2014 by the Department of Education

(the Department) when a review of and a change to the regulations was made. Specifically, an applicant for a PLUS loan who is determined to have an adverse credit history must complete loan counseling offered by the Secretary before receiving the Federal PLUS loan.

The Department is requesting an extension to the information collection regarding the adverse credit history regulations in 34 CFR 685.200 (b) and (c) and the burden these changes create for Federal PLUS loan borrowers, both parent and graduate/professional students.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of the SSS Program is to increase the

number of disadvantaged students, including low-income college students, first-generation college students, and college students with disabilities, who successfully complete a program of study at the postsecondary level. The support services that are provided should increase the retention and graduation rates for these categories of students and facilitate their transfer from two-year to four-year colleges and universities. The support services should also foster an institutional climate that supports the success of students who are limited English proficient, students from groups that are historically underrepresented in postsecondary education, students with disabilities, students who are homeless children and youths, students who are in foster care or are aging out of the foster care system, and other disconnected students. Student support services should also improve the financial and economic literacy of students.

Priorities: This notice contains two competitive preference priorities. Competitive Preference Priorities 1 and 2 are from the Secretary's Notice of Final Supplemental Priorities and Definitions for Discretionary Grant Programs, published in the **Federal Register** on December 10, 2021 (86 FR 70612) (Supplemental Priorities).

Note: Applicants must include, in the one-page abstract submitted with the application, a statement indicating which, if any, of the competitive preference priorities are addressed. If the applicant has addressed the competitive preference priorities, this information must also be listed on the SSS Program Profile Form.

Competitive Preference Priorities: For FY 2025 and any subsequent year for which we make awards from the list of unfunded applications from this competition, these priorities are competitive preference priorities. Under 34 CFR 75.105(c)(2)(i), we award up to an additional eight points to an application, depending on how well the application meets these priorities.

These priorities are:
