*Deadline for Transmittal of
Applications:* July 21, 2008.

*Deadline for Intergovernmental
Review:* September 17, 2008.

Full Text of Announcement**I. Funding Opportunity Description**

Purpose of Program: The purpose of this program is to develop and implement programs to provide integrated courses of study that lead to a baccalaureate degree in science, technology, engineering, mathematics, or a critical foreign language with concurrent teacher certification.

Priorities: This notice contains one absolute priority and two invitational priorities. In accordance with 34 CFR 75.105(b)(2)(iv), the absolute priority is from section 6113(c) of the America COMPETES Act, 20 U.S.C 9813(c).

Absolute Priority: We are establishing this priority for the FY 2008 grant competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition. This priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

Projects whose primary focus is on placing participants in high-need local educational agencies (LEAs). The definition of high-need LEA can be found in the America COMPETES Act, title VI, section 6112(3), and is described below.

Invitational Priority: Under this competition we are particularly interested in applications that address the following priority.

For FY 2008 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is an invitational priority. Under 34 CFR 75.105(c)(1), we do not give an application that meets this invitational priority a competitive or absolute preference over other applications.

This priority is:

Projects that propose to design specialized undergraduate programs specifically tailored to assist native speakers of critical foreign languages in becoming certified teachers *OR* programs that offer research-based teacher preparation programs suited to the particular needs of science, technology, engineering, or mathematics students.

Definition: For purposes of this competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition, critical foreign languages are defined as Arabic, Chinese, Japanese, Korean, Russian, Hindi, Urdu, Persian, and Turkish. Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed definitions. Section 437(d)(1) of GEPA, however, allows the Secretary to exempt from rulemaking requirements, definitions governing the first grant competition under a new or substantially revised program authority. This is the first grant competition for this program under 20 U.S.C. 9811, *et seq.* and therefore qualifies for this exemption. In order to ensure timely grant awards, the Secretary has decided to forego public comment on the definition of critical foreign languages under section 437(d)(1) of GEPA. This definition will apply to the FY 2008 grant competition and any subsequent year in which we make awards from the list of unfunded applicants from this competition.

Program Authority: 20 U.S.C. 9811, *et seq.*

Applicable Regulations: The Education Department General Administrative Regulations (EDGAR) in 34 CFR parts 74, 75, 77, 79, 80, 82, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grants.
Estimated Available Funds: \$900,000.
