### SUPPLEMENTARY INFORMATION:

#### Background

On July 3, 2023, Commerce published in the **Federal Register** a notice of opportunity<sup>1</sup> to request an administrative review of the AD order on PET film from Taiwan.<sup>2</sup> On

September 11, 2023, in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice of initiation of an administrative review of the *Order*.<sup>3</sup>

On March 27, 2024, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.213(h)(2), Commerce extended the due date for the preliminary results until June 28, 2024.<sup>4</sup> On June 20, 2024, Commerce extended the preliminary results until July 30, 2024.<sup>5</sup> On July 22, 2024, Commerce tolled certain deadlines in this administrative proceeding by seven days.<sup>6</sup> The deadline for the preliminary results is now August 6, 2024.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.<sup>7</sup> A list of the topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### Scope of the Order

The merchandise subject to the *Order* is PET film. A complete description of the scope of the *Order* is provided in the Preliminary Decision Memorandum.

film from Taiwan during the POR, which showed that SMTC/SSFC<sup>8</sup> did not make any shipments of PET Film during the POR.<sup>9</sup> Therefore, the record demonstrates that SMTC/SSFC had no shipments during the POR. On this basis, we are preliminarily rescinding the review with respect to SMTC/SSFC, and will issue appropriate instructions to CBP based on the final results of this review.<sup>10</sup> For additional information regarding this determination, see the Preliminary Decision Memorandum.

#### Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) and (2) of the Act. Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

#### Preliminary Results of Review

As a result of this review, Commerce preliminarily determines that the following estimated weighted-average dumping margin exists for the period July 1, 2022, through June 30, 2023:

#### Disclosure and Public Comment

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

<sup>8</sup> In the 2011–2012 administrative review, we treated SMTC and SSFC as a single entity. See *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan; Preliminary Results of Antidumping Duty Administrative Review; 2011–2012*, 78 FR 48651 (August 9, 2013), and accompanying Preliminary Decision Memorandum, unchanged in *Polyethylene Terephthalate Film, Sheet, and Strip from Taiwan: Final Results of Antidumping Duty Administrative Review; 2011–2012*, 79 FR 11407 (February 28, 2014). We have treated SMTC and SSFC as a single entity in all subsequent reviews. There is no information on the record of this administrative review that would lead Commerce to reconsider that determination. Accordingly, we continue to treat SMTC and SSFC as a single entity for purposes of this administrative review.

<sup>9</sup> See Memorandum, “Release of U.S. Customs Entry Data for Respondent Selection; 2022–2023,” dated October 6, 2023.

<sup>10</sup> We invite interested parties to comment on the preliminary rescission.

Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs to Commerce. A timeline for the submission of case briefs and written comments will be notified to parties at a later date. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.<sup>11</sup> Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.<sup>12</sup>

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this review, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.<sup>13</sup> Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).<sup>14</sup>

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within

30 days after the date of publication of this notice.

### Final Results of Review

Unless extended, Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

### Verification

As provided in section 782(i)(3) of the Act, Commerce intends to verify the information relied upon for the final results.

### Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries in accordance with 19 CFR 351.212(b). If a respondent's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific assessment rate on the basis of the ratio of the total amount of dumping calculated for an importer's examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1).<sup>15</sup> If the weighted-average dumping margin is zero or *de minimis* in the final results of review, or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review and for future deposits of estimated duties, where applicable.<sup>16</sup>

For entries of subject merchandise during the POR produced by an individually examined respondent for which it did not know its merchandise was destined for the United States, we intend to instruct CBP to liquidate such entries at the all-others rate (i.e., 2.40 percent) if there is no rate for the intermediate company(ies) involved in the transaction.<sup>17</sup>

Commerce intends to issue assessment instructions to CBP no

earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (i.e., within 90 days of publication). The final results of this administrative review shall be the basis for the assessment of antidumping duties on entries of merchandise under review and for future cash deposits of estimated antidumping duties, where applicable.

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of PET film from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) the cash deposit rate for Nan Ya will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, no cash deposit will be required); (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other producers or exporters is 2.40 percent.<sup>18</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.
