

immediately. The Exchange requests that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) so that the Exchange may implement the change upon filing specifying that the port fees in Chapter VII, Part B of the Exchange's Pricing Schedule will not be prorated. The Commission believes that adding the sentence to Chapter VII, Part B of the Exchange's Pricing Schedule to state that port fees are assessed in full-month increments, *i.e.*, they are not prorated, will avoid confusion and thus serve to protect investors and the public interest. For this reason, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.
