

Topics of the Meeting

The Commission will discuss options for making longer-term recommendations on the future of the Medicaid program that ensure long-term sustainability. Issues to be addressed may include, but are not limited to: Eligibility, benefit design, and delivery; expanding the number of people covered with quality care while recognizing budget constraints; long term care; quality of care, choice, and beneficiary satisfaction; and program administration.

Procedure and Agenda

This meeting is open to the public. There will be a public comment period at the meeting. The Commission may limit the number and duration of oral presentations to the time available. We will request that you declare at the meeting whether or not you have any financial involvement related to any services being discussed.

After the presentations and public comment period, the Commission will deliberate openly. Interested persons may observe the deliberations, but the Commission will not hear further comments during this time except at the request of the Chairperson. The Commission will also allow an open public session for any attendee to address issues specific to the topic.

Authority: 5 U.S.C. App. 2, section 10(a)(1) and (a)(2).

Dated: April 5, 2006.

Mary M. McGeein,

Deputy Assistant Secretary for Planning and Evaluation, Office of Disability, Aging and Long-Term Care.
