

that will be provided to OCSE in a state TANF agency input file are:

- Submitting state code (2-digit FIPS code)
- Date stamp (input file transmission date)
- Adult TANF applicant/recipient's Social Security number
- Adult TANF applicant/recipient's first, middle, and last name
- Same state data indicator (indicates whether the state TANF agency requests NDNH new hire, quarterly wage, or unemployment insurance even if the information was provided by that same state)
- Passback data (state TANF agency information used to identify individuals within the input file to be returned on the output file)
- Name/Social Security number verification request

OCSE will compare the Social Security numbers in the state TANF agency input file to the Social Security numbers in the NDNH, and will provide the state TANF agency with any available new hire and quarterly wage information in NDNH (including names, Social Security numbers, home addresses, and employment information) pertaining to the individuals whose records are contained in the state TANF agency input file.

System(s) of Records: The OCSE records disclosed to state TANF agencies will be disclosed from OCSE's National Directory of New Hires (NDNH) system of records, No. 09–80–0381, last published at 80 FR 17906 on April 2, 2015. The disclosures are authorized by routine use 8 in that system of records.
