#### Agency Information Collection Activities; Proposed Collection; Comments Requested: Certificate of Compliance with 18 U.S.C. 922(g)(5)(B)

**ACTION:** Correction 30-Day Notice of Information Collection.

This is to correct a second 60 day notice that was published in error Volume 77, Number 78, page 24225, on April 23, 2012. The notice should have been published as a 30 day notice instead of a 60 day notice.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register** Volume 77, Number 30, page 8276 on February 14, 2012, allowing for a 60 day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until May 31, 2012. This process is conducted in accordance with 5 CFR 1320.10.

Written comments concerning this information collection should be directed to The Office of Information and Regulatory Affairs, Office of Management and Budget, Attn: DOJ Desk Officer. The best way to ensure your comments are received is to email them to [oira\\_submission@omb.eop.gov](mailto:oira_submission@omb.eop.gov) or fax them to 202-395-7285. All comments should reference the eight digit OMB number or the title of the collection. If you have questions concerning the collection, please contact Tracey Robertson, [tracey.robertson@atf.gov](mailto:tracey.robertson@atf.gov) or the DOJ Desk Officer at 202-514-4304.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

—Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

—Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

—Enhance the quality, utility, and clarity of the information to be collected; and

—Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
