Applicants' Representations:

1. The Trust is organized as a Delaware statutory trust and is registered under the Act as an open-end series management investment company. The Advisor is registered as an investment adviser under the Investment Advisers Act of 1940, as amended, and provides investment management advice and manages the business affairs of each Applicant Fund (as defined below). Applicants request an exemption from rule 12d1-2(a) under the Act to the extent necessary to permit any existing or future series of the Trust and any other registered open-end investment company advised by the Advisor or any person controlling, controlled by or under common control with the Advisor that operates as a "fund of funds" (the "Applicant Funds") and invests in other Wells Fargo funds in reliance on section 12(d)(1)(G) of the Act, and is also eligible to invest in securities (as defined in section 2(a)(36) of the Act) in reliance on rule 12d1-2 under the Act, to also invest, to the extent consistent with its investment objective, policies, strategies and limitations, in financial instruments that may not be securities within the meaning of section 2(a)(36) of the Act ("Other Investments").¹

2. Consistent with its fiduciary obligations under the Act, each Applicant Fund's board of trustees or directors will review the advisory fees charged by the Applicant Fund's investment adviser to ensure that they are based on services provided that are in addition to, rather than duplicative of, services provided pursuant to the advisory agreement of any investment company in which the Applicant Fund may invest.

Applicants' Legal Analysis:

1. Section 12(d)(1)(A) of the Act provides that no registered investment company ("acquiring company") may acquire securities of another investment company ("acquired company") if such securities represent more than 3% of the acquired company's outstanding voting

stock or more than 5% of the acquiring company's total assets, or if such securities, together with the securities of other investment companies, represent more than 10% of the acquiring company's total assets. Section 12(d)(1)(B) of the Act provides that no registered open-end investment company may sell its securities to another investment company if the sale will cause the acquiring company to own more than 3% of the acquired company's voting stock, or cause more than 10% of the acquired company's voting stock to be owned by investment companies.

2. Section 12(d)(1)(G) of the Act provides that section 12(d)(1) will not apply to securities of an acquired company purchased by an acquiring company if: (i) The acquiring company and acquired company are part of the same group of investment companies; (ii) the acquiring company holds only securities of acquired companies that are part of the same group of investment companies, government securities, and short-term paper; (iii) the aggregate sales loads and distribution-related fees of the acquiring company and the acquired company are not excessive under rules adopted pursuant to section 22(b) or section 22(c) of the Act by a securities association registered under section 15A of the Exchange Act or by the Commission; and (iv) the acquired company has a policy that prohibits it from acquiring securities of registered open-end management investment companies or registered unit investment trusts in reliance on section 12(d)(1)(F) or (G) of the Act.

3. Rule 12d1-2 under the Act permits a registered open-end investment company or a registered unit investment trust that relies on section 12(d)(1)(G) of the Act to acquire, in addition to securities issued by another registered investment company in the same group of investment companies, government securities, and short-term paper: (1) Securities issued by an investment company that is not in the same group of investment companies, when the acquisition is in reliance on section 12(d)(1)(A) or 12(d)(1)(F) of the Act; (2) securities (other than securities issued by an investment company); and (3) securities issued by a money market fund, when the investment is in reliance on rule 12d1-1 under the Act. For the purposes of rule 12d1-2, "securities" means any security as defined in section 2(a)(36) of the Act.

4. Section 6(c) of the Act provides that the Commission may exempt any person, security, or transaction from any provision of the Act, or from any rule under the Act, if such exemption is

¹ Every existing entity that currently intends to rely on the requested order is named as an applicant. Any existing or future entity that relies on the order in the future will do so only in accordance with the terms and condition in the application.

necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policies and provisions of the Act.

5. Applicants state that the proposed arrangement would comply with the provisions of rule 12d1-2 under the Act, but for the fact that the Applicant Funds may invest a portion of their assets in Other Investments. Applicants request an order under section 6(c) of the Act for an exemption from rule 12d1-2(a) to allow the Applicant Funds to invest in Other Investments. Applicants assert that permitting the Applicant Funds to invest in Other Investments as described in the application would not raise any of the concerns that the requirements of section 12(d)(1) were designed to address.

Applicants' Condition:

Applicants agree that the order granting the requested relief will be subject to the following condition:

Applicants will comply with all provisions of rule 12d1-2 under the Act, except for paragraph (a)(2) to the extent that it restricts any Fund from investing in Other Investments as described in the application.

For the Commission, by the Division of Investment Management, under delegated authority.

Florence E. Harmon,
Acting Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-58887; File No. SR-CBOE-2008-111]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Temporarily Increase the Number of Additional Quarterly Option Series in Exchange-Traded Fund Options That May Be Listed

October 30, 2008.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October

29, 2008, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 5.5(e), *Quarterly Option Series Pilot Program*, to temporarily increase the number of additional Quarterly Option Series ("QOS") in exchange-traded fund ("ETF") options from sixty (60) to one hundred (100) that may be added by the Exchange. The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/Legal>), at the Exchange's Office of the Secretary and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposed rule change is to temporarily increase the number of additional QOS in ETF options from sixty (60) to one hundred

(100) that may be added by the Exchange. To effect this change, the Exchange is proposing to add new subparagraph (7) to Rule 5.5(e).

Because of the current, unprecedented market conditions, the Exchange has received requests from market participants to add lower priced strikes for QOS in the Energy Select Sector SPDR ("XLE"), the DIAMONDS Trust, Series 1 ("DIA") and the Standard and Poor's Depositary Receipts/SPDRs ("SPY"). For example, for December 2008 expiration, there is demand for strikes (a) ranging from \$20 up through and including \$40 for XLE, (b) ranging from \$60 up through and including \$75 for DIA, and (c) ranging from \$74 up through and including \$85 for SPY. These strikes are much lower than those currently listed for which there is open interest.

However, under current Rule 5.5(e)(4), the Exchange cannot honor these requests because the maximum number of additional series, sixty (60), has already been listed. The Exchange is therefore seeking to temporarily increase the number of additional QOS that may be added to one hundred (100). The increase of additional series would be permitted immediately for expiration months currently listed and for expiration months added throughout the last quarter of 2008, including the new expiration month added after December 2008 expiration. The Exchange believes that this proposal is reasonable and will allow for more efficient risk management. The Exchange believes this proposal will facilitate the functioning of the Exchange's market and will not harm investors or the public interest.

The Exchange believes that user demand and the recent downward price movements in the underlying ETFs warrants a temporary increase in the number of strikes for all QOS in ETF options. Currently, the Exchange list QOS in five ETF options: (1) Nasdaq-100 Index Tracking Stock ("QQQQ"); (2) iShares Russell 2000 Index Fund ("IWM"); (3) DIA; (4) SPY; and (5) XLE. The below chart provides the historical closing prices of these ETFs over the past couple of months:

ETF	10/27/08	10/13/08	10/6/08	9/30/08	8/29/08	7/31/08
QQQQ	28.69	35.13	34.86	38.91	46.12	45.46
IWM	44.86	56.98	59.72	68.00	73.87	71.32
DIA	80.26	95.03	99.90	108.36	115.45	113.70
SPY	83.95	101.35	104.72	115.99	128.79	126.83
