SOCIAL SECURITY ADMINISTRATION

Agency Information Collection Activities: Proposed Request

The Social Security Administration (SSA) publishes a list of information collection packages that will require clearance by the Office of Management and Budget (OMB) in compliance with Public Law 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. The information collection packages that may be included in this notice are for new information collections, approval of existing information collections, revisions to OMB-approved information collections, and extensions (no change) of OMB-approved information collections.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and on ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Written comments and recommendations regarding the information collection(s) should be submitted to the SSA Reports Clearance Officer. The information can be mailed and/or faxed to the individuals at the addresses and fax numbers listed below:

(SSA), Social Security Administration, DCFAM, Attn: Reports Clearance Officer, 1333 Annex Building, 6401 Security Blvd., Baltimore, MD 21235. Fax: 410-965-6400.

The information collections listed below are pending at SSA and will be submitted to OMB within 60 days from the date of this notice. Therefore, your comments should be submitted to SSA within 60 days from the date of this publication. You can obtain copies of the collection instruments by calling the SSA Reports Clearance Officer at 410-965-0454 or by writing to the address listed above.

1. Request for Withdrawal of Application—20 CFR 404.640—0960-0015. The filing of an application for Social Security benefits may be to the claimant's disadvantage. Type of Request: Extension of an OMB-approved information collection.

Number of Respondents: 100,000.

Estimated Annual Burden: 8,333 hours.

2. Statement of Claimant or Other Person—20 CFR 404.702, 416.570—0960-0045. The SSA-795 is used to obtain information from claimants or other persons having knowledge of facts in connection with claims for Social Security or Supplemental Security Income (SSI) benefits when there is no standard form which collects the needed information. The information is used by SSA to process claims for benefits or for ongoing issues related to the above programs. The respondents are applicants/beneficiaries for Social Security benefits or SSI payments, or others who are in a position to provide information pertinent to the claim(s).

It is used for individuals who must establish proof of age as a factor of entitlement, and cannot otherwise document their date of birth. The respondents are applicants for Social Security benefits who must establish their date of birth as a factor of entitlement.
