Internal Revenue Service

Low Income Taxpayer Clinic Grant Program; Availability of 2005 Supplementary Grant Application Package

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice.

SUMMARY: This document contains a notice that the IRS has made available a supplemental period within which organizations may apply for a Low Income Taxpayer Clinic (LITC) matching grant for the remainder of the 2005 grant cycle (the 2005 grant cycle runs January 1, 2005, through December 31, 2005). The supplemental application period shall run from March 15, 2005, to April 15, 2005.

As a result of increased funding made available by enactment of the Consolidated Appropriations Act of 2005, Public Law 108-447, the IRS now has an additional \$500,000 available to be awarded to qualifying organizations, subject to the limitations of Internal Revenue Code section 7526, for Low Income Taxpayer Clinic matching grants.

Despite the IRS's efforts to foster parity in availability and accessibility in the selection of organizations receiving LITC matching grants and the continued increase in clinic services nationwide, there remain communities that are underrepresented by clinics. For the supplemental application cycle, the IRS will focus on those geographic areas where there is limited or no clinic representation.

The IRS will award up to \$500,000 in additional funding to new qualifying organizations in the following underserved or underrepresented states or areas within a state:
