

r. Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See 18 CFR 385.2001 (a)(1)(iii) and the instructions on the Commission's Web site at <http://www.ferc.gov> under the "e-Filing" link.

s. Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", and "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. An additional copy must be sent to Director, Division of Hydropower Administration and Compliance, Federal Energy Regulatory Commission, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

t. Agency Comments—Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Kimberly D. Bose,
Secretary.

[Docket No. RM07-10-000]

Transparency Provisions of Section 23 of the Natural Gas Act; Notice of Form No. 552 Technical Conference

March 6, 2008.

The staff of the Federal Energy Regulatory Commission (Commission) intends to hold a Technical Conference on Tuesday, April 22, 2008 to discuss issues related to the preparation and filing of Form No. 552. The Technical Conference will be held at the Commission's headquarters at 888 First Street, NE., Washington, DC, in the Commission Meeting Room and via teleconference.

On December 26, 2007, the Commission issued Order No. 704, Transparency Provisions of Section 23 of the Natural Gas Act.¹ Order No. 704 requires certain natural gas buyers and sellers to identify themselves to the Commission and report summary information about their physical natural gas transactions for the previous calendar year in Form No. 552, established for that purpose. During the Technical Conference, Commission staff and interested parties will discuss issues related to the preparation and submission of Form No. 552. Form No. 552 is available at <http://www.ferc.gov/docs-filing/eforms.asp#552>.

The Technical Conference will be organized around questions from natural gas buyers and sellers required to file Form No. 552. Participants who wish to submit questions in advance of the Technical Conference should submit questions by March 31, 2008, via the eFiling link on the Commission's Web site at <http://www.ferc.gov>. Filings submitting questions should refer to Docket No. RM07-10-000. Those filings will be available at the Commission or may be viewed on the Commission's Web site at <http://www.ferc.gov>, using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document. For assistance accessing documents on eLibrary, contact FERC Online Support at FERCOnlineSupport@ferc.gov or via phone at (866) 208-3676 (toll-free). For TTY, contact (202) 502-8659.

All interested persons are invited to attend or call in for the Technical Conference. Those interested in

participating by phone must register no later than April 11, 2008, on the FERC Web site at <https://www.ferc.gov/whats-new/registration/form-552-04-22-form.asp>. Those who will participate in person are encouraged, but not required, to register. There is no registration fee. Information for the meeting will be sent to registered participants. For additional information, please contact Michelle Reaux of FERC's Office of Enforcement at (202) 502-6497 or by e-mail at michelle.reaux@ferc.gov.

Commission conferences and meetings are accessible under section 508 of the Rehabilitation Act of 1973. For accessibility accommodations please send an e-mail to accessibility@ferc.gov or call toll-free (866) 208-3372 (voice) or 202-502-8659 (TTY), or send a fax to 202-208-2106 with the required accommodations.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission, Comments Requested

March 4, 2008.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to take this opportunity to comment on the following information collection, as required by the Paperwork Reduction Act (PRA) of 1995 (PRA), Public Law No. 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. Subject to the PRA, no person shall be subject to any penalty for failing to comply with a collection of information that does not display a valid control number. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.
