ACTION: Notice of changeover to use of Industry Interactive Procurement System (IIPS).

SUMMARY: The U.S. Department of Energy, Office of Science, is announcing a fundamental change in the manner in which business will be conducted. A secure, web-enabled acquisition and financial assistance system, Industry Interactive Procurement System (IIPS), has been developed and is deployed. IIPS provides for the posting of solicitations, receipt of applications, and conducting of clarifications or discussions in a paperless environment via the Internet. **DATES:** Effective June 1, 2002, applications must be submitted in PDF format through the IIPS system. (However, in order to allow sufficient time for all applicants to register and transition to the IIPS system, the Office of Science will continue to accept printed copies of applications until the end of the fiscal year, i.e., September 30, 2002.)

ADDRESSES: When submitting applications, applicants should use the IIPS web page, which is located at: <http://e-center.doe.gov/>.
