

holder of the IP1 license. The indirect transfer of control of the license is otherwise consistent with applicable provisions of law, regulations, and orders issued by the NRC. Furthermore, the NRC staff concludes that the proposed corporate restructuring involving new intermediate and ultimate parent companies over ENO, as described herein, will not affect the qualifications of ENO as holder of the IP1 license. The indirect transfer of control of the license as held by ENO, to the extent affected by the proposed restructuring, is otherwise consistent with applicable provisions of law, regulations, and orders issued by the Commission.

The NRC staff concludes that the conversion of Entergy Nuclear Operations, Inc. to EquaGen Nuclear LLC would not constitute a direct transfer of the licenses to the extent held by ENO. Therefore, no consent to the proposed conversion is necessary.

The findings set forth above are supported by the NRC's safety evaluation dated July 28, 2008.

III

Accordingly, pursuant to Sections 161b, 161i, 161o, and 184 of the Atomic Energy Act of 1954, as amended, 42 U.S.C. 2201(b), 2201(j), 2201(o), and 2234; and 10 CFR 50.80, *it is hereby ordered* that the application regarding the indirect license transfer discussed above related to the proposed corporate restructuring and establishment of Enexus is approved, subject to the following conditions:

1. ENIP2 shall enter into the \$700 million Support Agreement with Enexus Energy Corporation as described in the application, no later than the time the proposed transactions and indirect license transfer occurs. ENIP2 shall take no action to cause Enexus Energy Corporation, or its successors and assigns, to void, cancel, or modify the Support Agreement or cause it to fail to perform, or impair its performance under the Support Agreement, without prior written consent of the NRC. The Support Agreement may not be amended or modified without 30 days prior written notice to the Director of the Office of Federal and State Materials and Environmental Management Programs or his designee. An executed copy of the Support Agreement shall be submitted to the NRC no later than 30 days after the completion of the proposed transactions and the indirect license transfer. ENIP2 shall inform the NRC in writing anytime it draws upon the Support Agreement.

2. The ten separate support guarantees from various Entergy subsidiaries,

which total \$315 million, including the support guarantee relating to IP1, may be revoked when, and conditioned upon, implementation of the new \$700 million Support Agreement at the time the proposed restructuring and indirect license transfer are completed.

3. Should the proposed corporate restructuring and establishment of Enexus not be completed within one year from the date of this Order, this Order shall become null and void, provided, however, upon written application and good cause shown, such date may be extended by Order.

This Order is effective upon issuance.

For further details with respect to this Order, see the application dated July 30, 2007, as supplemented by letters dated October 31, and December 5, 2007, and January 24, March 17, April 22, and May 2, 2008, and the NRC's safety evaluation dated July 28, 2008, which are available for public inspection at the Commission's Public Document Room (PDR), located at One White Flint North, Public File Area 01 F21, 11555 Rockville Pike (first floor), Rockville, Maryland and accessible electronically from the Agencywide Documents Access and Management System (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. Privacy Act of 1974; New Blanket Routine Use

AGENCY: Occupational Safety and Health Review Commission.

ACTION: Notice of New Blanket Routine Use.

FOR FURTHER INFORMATION CONTACT: Ron Bailey, Attorney-Advisor, Office of the General Counsel, via telephone at (202) 606-5410, or via e-mail at rbailey@oshrc.gov.

SUPPLEMENTARY INFORMATION: The Privacy Act of 1974, 5 U.S.C. 552a(e)(4) and (11), requires OSHRC to publish in the **Federal Register** notice of any new routine use of an OSHRC system of records, and to provide an opportunity for interested persons to submit written data, views, or arguments to the agency. As detailed below, OSHRC is proposing the addition of one new blanket routine use.

On May 22, 2007, the Office of Management and Budget ("OMB") issued a memorandum for the heads of Executive Departments and Agencies entitled "Safeguarding Against and Responding to the Breach of Personally Identifiable Information." OMB directed agencies to develop and publish a routine use for disclosure of information in connection with response and remedial efforts in the event of a data breach. Therefore, OSHRC is adding a new blanket routine use that, in the event of a data breach, authorizes OSHRC to disclose relevant information

to appropriate agencies, entities, and persons. This routine use will serve to protect the interests of any individual affected by a breach because it will enable OSHRC to take the steps necessary to facilitate a timely and effective response to the breach, thereby improving its ability to prevent, minimize, or remedy any harm resulting from a compromise of data maintained in its systems of records.

OSHRC's proposed blanket routine use is published below. The first ten blanket routine uses, which remain in effect, were last published in full text on April 14, 2006 at 71 FR 19556, 19558–59.

Blanket Routine Uses

(11) A record from an OSHRC system of records may be disclosed as a blanket routine use to appropriate agencies, entities, and persons when:

(a) OSHRC suspects or has confirmed that the security or confidentiality of information in the system of records has been compromised; and

(b) OSHRC has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of this system or other systems or programs (whether maintained by OSHRC or another agency or entity) that rely upon the compromised information; and

(c) The disclosure made to such agencies, entities, and persons is reasonably necessary to assist in connection with OSHRC's efforts to respond to the suspected or confirmed compromise and prevent, minimize, or remedy such harm.

Dated: July 29, 2008.

Horace A. Thompson III,
Chairman.

SECURITIES AND EXCHANGE COMMISSION

[Securities Exchange Act of 1934; Release No. 58248/July 29, 2008]

Order Extending Emergency Order Pursuant to Section 12(k)(2) of the Securities Exchange Act of 1934 Taking Temporary Action To Respond to Market Developments

On July 15, 2008, the Commission issued an Emergency Order Pursuant to Section 12(k)(2) of the Securities Exchange Act of 1934 Taking Temporary Action to Respond to Market

Developments (the “Order”).¹ That Order took effect on July 21, 2008 and applies to the publicly traded securities of the substantial financial firms identified in Appendix A to the Order. The Commission updated the Order by an amendment dated July 18, 2008.² The Order, as amended (the “Emergency Order”), is currently set to terminate on July 29, 2008.

Pursuant to its authority under Section 12(k)(2)(C) of the Securities Exchange Act of 1934 (“Exchange Act”), the Commission is extending the Emergency Order. Section 12(k)(2)(C) authorizes the Commission to extend an emergency order issued pursuant to Section 12(k)(2)(A) of the Exchange Act for a total effective period of up to 30 calendar days, if the Commission finds that the emergency still exists and determines that an extension is necessary in the public interest and for the protection of investors to maintain fair and orderly securities markets.

The Commission has carefully reevaluated the current state of the markets in consultation with officials of the Board of Governors of the Federal Reserve System, the Department of the Treasury and the Federal Reserve Bank of New York. We note that the Board of Governors of the Federal Reserve System, in authorizing the creation of the temporary Primary Dealer Credit Facility (“PDCF”), was required to determine that “unusual and exigent circumstances” exist and that the PDCF remains available to the financial firms identified in Appendix A. The Commission continues to remain concerned about the ongoing threat of market disruption and effects on investor confidence, and has determined in this environment that the standards under Section 12(k)(2) for extending the Emergency Order have been met. Accordingly, the Commission has determined that extending the Emergency Order is in the public interest and necessary to maintain fair and orderly securities markets and for the protection of investors. Following expiration of the Emergency Order, the Commission will proceed immediately to consideration of rulemaking, which would become effective after notice and comment.

Therefore, it is ordered, pursuant to Section 12(k)(2)(C) of the Exchange Act, that the Emergency Order is extended such that it will terminate at 11:59 p.m. EDT on Tuesday, August 12, 2008.

¹ See Securities Exchange Act Release No. 58166 (July 15, 2008).

² See Securities Exchange Act Release No. 58190 (July 18, 2008).

By the Commission.

Florence E. Harmon,
Acting Secretary.

SECURITIES AND EXCHANGE COMMISSION

[File No. 500–1]

Global Diamond Exchange, Inc.; Order of Suspension of Trading

July 31, 2008.

It appears to the Securities and Exchange Commission that the public interest and the protection of investors require a suspension of trading in the securities of Global Diamond Exchange, Inc. (“Global Diamond”) because there is a lack of current and accurate information concerning its securities. Questions have arisen concerning the company's current business operations, control of the company, and the company's reliance on Rule 504 of Regulation D of the Securities Act of 1933 in conducting a distribution of its securities. Global Diamond, a company that has made no public filings with the Commission, is quoted on the Pink Sheets under the ticker symbol GBDX.

The Commission is of the opinion that the public interest and the protection of investors require a suspension of trading in the securities of the above-listed company.

Therefore, it is ordered, pursuant to Section 12(k) of the Securities Exchange Act of 1934, that trading in the above-listed company is suspended for the period from 9:30 a.m. EDT, July 31, 2008, through 11:59 p.m. EDT, on August 13, 2008.

By the Commission.

Florence E. Harmon,
Acting Secretary.
