

*C. Petitions for Judicial Review*

Under section 307(b)(1) of the CAA, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by October 10, 2014. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this action for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. Parties with objections to this direct final rule are encouraged to file a comment in response to the parallel notice of proposed rulemaking for this action published in the proposed rules section of today's **Federal Register**, rather than file an immediate petition for judicial review of this direct final rule, so that

EPA can withdraw this direct final rule and address the comment in the proposed rulemaking action.

This action approving the removal of Stage II from the Richmond Area maintenance plans may not be challenged later in proceedings to enforce its requirements. (See section 307(b)(2).)

The rule transfers responsibility for the assignment of these claims from the Alternative Dispute Resolution Specialist to the Chief Administrative Law Judge.

Procedure for Adjudication of Small Claims. Non-confidential filings may be submitted in hard copy or as a Microsoft Word or PDF attachment addressed to *secretary@fmc.gov*. Confidential filings must be accompanied by a transmittal letter that identifies the filing as “confidential” and describes the nature and extent of the confidential treatment requested. Any comment that contains confidential information must consist of the complete filing and be marked by the filer as “Confidential-Restricted,” with the material claimed to be confidential clearly marked on each page. The Commission will provide confidential treatment to the extent allowed by law for submissions, or parts of submissions, for which the filer requests confidentiality. A public version must be submitted with the confidential version if applicable. Questions regarding filing or treatment of confidential responses to this notice should be directed to the Commission’s Secretary, Karen V. The Commission expects the amendments to be noncontroversial as they address the Commission’s internal procedures. Therefore, pursuant to 5 U.S.C. 553, notice and comment are not required and this rule may become effective after publication in the **Federal Register** unless the Commission receives significant adverse comments within the specified period. The Commission recognizes that parties may have information that could impact the Commission’s views and intentions with respect to the revised internal procedures, and the Commission intends to consider any comments filed. The Commission will withdraw the rule if it receives significant adverse comments. Filed comments that are not adverse may be considered for modifications to part 502 at a future date. If no significant adverse comment is received, the rule will become effective without additional action.

This direct final rule is not a “major rule” under 5 U.S.C. 804(2). No notice of proposed rulemaking is required; therefore, the provisions of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, do not apply.

Pursuant to Section 11(a) of the Shipping Act of 1984 (46 U.S.C. 41301(a)), a person may file a complaint with the Commission claiming a violation of the Shipping Act of 1984 and may seek reparations for an injury caused by the violation. With the consent of both parties, claims in the amount of \$50,000 or less are decided without the necessity of formal

procedures under the Commission’s rules.

The current rules provide that claims less than \$50,000 will be decided by a Settlement Officer appointed by the Commission’s Alternative Dispute Resolution Specialist. The new rules provide that claims in the amount of \$50,000 or less will be decided by a Small Claims Officer appointed by the Commission’s Chief Administrative Law Judge.

#### Federal Motor Vehicle Theft Prevention Standard; Final Listing of 2015 Light Duty Truck Lines Subject to the Requirements of This Standard and Exempted Vehicle Lines for Model Year 2015

**AGENCY:** National Highway Traffic Safety Administration (NHTSA), U.S. Department of Transportation.

**ACTION:** Final rule.

**SUMMARY:** This final rule announces NHTSA’s determination that there are no new model year (MY) 2015 light duty truck lines subject to the parts-marking requirements of the Federal motor vehicle theft prevention standard because they have been determined by the agency to be high-theft or because they have a majority of interchangeable parts with those of a passenger motor vehicle line. This final rule also identifies those vehicle lines that have been granted an exemption from the parts-marking requirements because the vehicles are equipped with anti-theft devices determined to meet certain statutory criteria.

**DATES:** The amendment made by this final rule is effective August 11, 2014.
