Add new activity—powder tracking—to existing authorized activities: capture, handle, collect tissue/blood samples, mark, PIT tag.	Amend.

Public Availability of Comments

Written comments we receive become part of the administrative record associated with this action. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can request in your comment that we withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Moreover, all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

Next Steps

If we decide to issue permits to any of the applicants listed in this notice, we will publish a notice in the **Federal Register**.

Authority

We publish this notice under section 10(c) of the Endangered Species Act of

1973, as amended (16 U.S.C. 1531 *et seq.*).

Lori Nordstrom,

Assistant Regional Director, Ecological Services, Midwest Region, U.S. Fish and Wildlife Service.

Filing of Plats of Survey, Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of official filing.

SUMMARY: The Bureau of Land Management (BLM) is scheduled to file plats of survey 30 calendar days from the date of this publication in the BLM Wyoming State Office, Cheyenne, Wyoming. These surveys, which were executed at the request of the U.S. Forest Service and Bureau of Land Management are necessary for the management of these lands.

DATES: Protests must be received by the BLM prior to the scheduled date of official filing by October 6, 2022.

ADDRESSES: You may submit written protests to the Wyoming State Director at WY926, Bureau of Land Management, 5353 Yellowstone Road, Cheyenne, Wyoming 82009.

FOR FURTHER INFORMATION CONTACT:

Sonja Sparks, BLM Wyoming Chief Cadastral Surveyor, by telephone at (307) 775–6225 or by email at s75spark@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service at 1–800–877–8339 to contact this office during normal business hours. The Service is available 24 hours a day, 7 days a week, to leave a message or question with this office. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The plats of survey of the following described lands are scheduled to be officially filed in the BLM Wyoming State Office, Cheyenne, Wyoming.

Sixth Principal Meridian, Wyoming

T. 15 N., R. 77 W., Group No. WY1022, dependent resurvey and survey, accepted August 23, 2022

T. 43 N., R. 95 W., Group No. WY1033, dependent resurvey and survey, accepted August 23, 2022

T. 13 N., R. 87 W., Group No. WY1040, dependent resurvey and survey, accepted August 23, 2022

T. 32 N., R. 79 W., Group No. WY1049, dependent resurvey and survey, accepted August 23, 2022

T. 32 N., R. 81 W., Group No. WY1051, dependent resurvey and survey, accepted August 23, 2022

A person or party who wishes to protest one or more plats of survey identified in this notice must file a written notice of protest within 30 calendar days from the date of this publication with the Wyoming State Director at the above address. Any notice of protest received after the scheduled date of official filing will be untimely and will not be considered. A written statement of reasons in support of a protest, if not filed with the notice of protest, must be filed with the State Director within 30 calendar days after the notice of protest is filed. If a notice of protest against a plat of survey is received prior to the scheduled date of official filing, the official filing of the plat of survey identified in the notice of protest will be stayed pending consideration of the protest. A plat of survey will not be officially filed until the next business day following dismissal or resolution of all protests of the plat.

Before including your address, phone number, email address, or other personal identifying information in your protest, you should be aware that your entire protest—including your personal identifying information—may be made publicly available at any time. While you can ask us to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Copies of the preceding described plat and field notes are available to the public at a cost of \$4.20 per plat and \$0.15 per page of field notes. Requests can be made to blm_wy_survey_records@blm.gov or by telephone at 307-775-6222.

(Authority: 43 U.S.C. chapter 3)

Dated: August 30, 2022.

Sonja S. Sparks,

Chief Cadastral Surveyor of Wyoming.

Notice of Inventory Completion: Field Museum of Natural History, Chicago, IL

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: The Field Museum of Natural History has completed an inventory of

human remains, in consultation with the appropriate Indian Tribes or Native Hawaiian organizations, and has determined that there is a cultural affiliation between the human remains and present-day Indian Tribes or Native Hawaiian organizations. Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request to the Field Museum of Natural History. If no additional requestors come forward, transfer of control of the human remains to the lineal descendants, Indian Tribes, or Native Hawaiian organizations stated in this notice may proceed.

DATES: Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to the Field Museum of Natural History at the address in this notice by October 6, 2022.

FOR FURTHER INFORMATION CONTACT:

Helen Robbins, Repatriation Director, Field Museum of Natural History, 1400 South Lake Shore Drive, Chicago, IL 60605-2496, telephone (312) 665-7317, email hrobbins@fieldmuseum.org.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains under the control of the Field Museum of Natural History, Chicago, IL. The human remains were removed from the Pueblo of Pojoaque, Santa Fe County, NM.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

Consultation

A detailed assessment of the human remains was made by the Field Museum of Natural History professional staff in consultation with representatives of the Pueblo of Pojoaque, New Mexico.

History and Description of the Remains

Sometime prior to 1960, human remains representing, at minimum, one individual were removed from the Pueblo of Pojoaque in Santa Fe County,

NM. No accession record or documentation of donation to the Field Museum has been found. The human remains belong to an adult, 35–50 years old and possibly male. No known individual was identified. No associated funerary objects are present.

Field Museum of Natural History records identify the human remains as “Pueblo,” indicating that the collector was aware of the cultural affiliation of the individual. Based on the specific cultural and geographic attribution in the museum records, the human remains are determined to be culturally affiliated with the Pueblo of Pojoaque, New Mexico.

Determinations Made by the Field Museum of Natural History

Officials of the Field Museum of Natural History have determined that:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of one individual of Native American ancestry.
- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Pueblo of Pojoaque, New Mexico.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains should submit a written request with information in support of the request to Helen Robbins, Field Museum of Natural History, 1400 South Lake Shore Drive, Chicago, IL 60605-2496, telephone (312) 665-7317, email hrobbins@fieldmuseum.org, by October 6, 2022. After that date, if no additional requestors have come forward, transfer of control of the human remains to the Pueblo of Pojoaque, New Mexico may proceed.

The Field Museum of Natural History is responsible for notifying the Pueblo of Pojoaque, New Mexico that this notice has been published.

Dated: August 29, 2022.

Melanie O'Brien,

Manager, National NAGPRA Program.
