#### Request for Measures and Domains To Use in Development of a Standardized Instrument for Use in Public Reporting of Family Experience of Pediatric Inpatient Care

**AGENCY:** Agency for Healthcare Research and Quality (AHRQ), HHS.

**ACTION:** Notice of request for measures and domains.

**SUMMARY:** Section 401(a) of the Children's Health Insurance Program Reauthorization Act of 2009 (CHIPRA), Public Law 111-3, amended the Social Security Act (the Act) to enact section 1139A (42 U.S.C. 1320b-9a). Section 1139A(b) charged the Department of Health and Human Services with improving pediatric health care quality measures. The Agency for Healthcare Research and Quality (AHRQ) is soliciting the submission of instruments or domains (for example, key concepts) measuring aspects of families' experience with the quality of inpatient medical and surgical hospital care from all researchers, vendors, hospitals, stakeholders, and other interested parties. The survey development team of Children's Hospital Boston Center of Excellence for Pediatric Quality Measurement (CEPQM), is one of the CHIPRA Pediatric Quality Measures Program (PQMP) Centers of Excellence, which were created pursuant to an interagency agreement between the Centers for Medicare & Medicaid Services (CMS) and AHRQ, and are funded through cooperative agreement awards with AHRQ. AHRQ is interested in instruments and items through which families of pediatric patients assess the care their child receives during the child's inpatient stay. The goal is to develop a standardized instrument for use in the public reporting of family experience of pediatric inpatient care. The CEPQM team is collaborating with the CAHPS 3 Consortium to develop this instrument. The survey will be developed in accordance with CAHPS Survey Design Principles and will develop implementation instructions based on those for CAHPS instruments (<https://www.cahps.AHRQ.gov/About-CAHPS/principles.aspx>). All CAHPS surveys are available to users free of charge and are published on the AHRQ Web site. This notice is republished because of technical clarification.

**DATES:** Please submit materials February 21, 2012. AHRQ will not respond to
