The Indiana Northeastern Railroad Company-Acquisition Exemption— Branch and St. Joseph Counties Rail Users Association, Inc.

The Indiana Northeastern Railroad Company, Inc. (IN), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire from the Branch and St. Joseph Counties Rail Users Association, Inc., a 19.88-mile line of railroad between milepost 386.96 near Coldwater, MI, and milepost 406.84, near Sturgis, MI. IN has been operating this line since 2002.¹

IN certifies that its projected revenues as a result of this transaction will not result in the creation of a Class II or a Class I rail carrier.

The transaction was scheduled to be consummated on or soon after July 1, 2004.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34516, must be filed with
