DEPARTMENT OF COMMERCE

Economic Development Administration

[Docket No.: 0811061422–9003–02]

Solicitation of Applications for the FY 2009 Second Supplemental Appropriations Disaster Relief Opportunity Pursuant to the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009, Public Law Number 110–329, 122 Stat. 3574 (2008)

AGENCY: Economic Development Administration (EDA), Department of Commerce.

ACTION: Notice and request for applications.

SUMMARY: Pursuant to section 703 of the Public Works and Economic Development Act of 1965, as amended, and the Consolidated Security, Disaster Assistance, and Continuing Appropriations Act, 2009, EDA announces general policies and application procedures for the FY 2009 Second Supplemental Appropriations Disaster Relief Opportunity. Pursuant to this notice, EDA solicits applications for Economic Adjustment Assistance investments (CFDA No. 11.307). This Economic Adjustment Assistance will help devise long-term economic redevelopment strategies and carry out implementation activities and public works projects to address economic development challenges in regions impacted by hurricanes, floods and other natural disasters during 2008 and

covered by a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act. Through the Economic Adjustment Assistance program, selected applicants will utilize EDA's flexible set of program tools to develop and implement on a regional basis long-term economic redevelopment strategies for the recently disaster-impacted regions in the United States. As stated below under "Electronic Access," the complete federal funding opportunity announcement for this notice and request for applications is available at <http://www.grants.gov> and at <http://www.eda.gov>, and provides more detailed information regarding the FY 2009 Second Supplemental Appropriations Disaster Relief Opportunity.

DATES: Applications are accepted on a continuing basis and processed as received. For all applications, EDA anticipates award notification approximately sixty (60) days after receipt of a completed application. All applications may be submitted electronically in accordance with the instructions provided at <http://www.grants.gov> or mailed to the applicable EDA regional office listed below under "Addresses and Telephone Numbers for EDA's Regional Offices."

Application Submission

Requirements: On October 1, 2008, EDA published a notice in the **Federal Register** (73 FR 57049) to introduce its new, streamlined *Application for Investment Assistance* (Form ED–900), which consolidates all EDA-specific requirements into a single application form. Form ED–900 replaces the suite of forms previously required by EDA for federal funding (the *Pre-Application for Investment Assistance* (Form ED–900P), the *Application for Investment Assistance* (Form ED–900A), and the program-specific components to Form ED–900A). EDA, however, will continue to require additional government-wide federal grant assistance forms from the Standard Form (SF) 424 family and certain Department of Commerce (CD) forms that were a part of EDA's previous suite of forms. The specific SF forms required with the Form ED–900 depend on whether the applicant seeks construction or non-construction assistance.

Applicants seeking assistance for a project with construction components are required to complete and submit the following:

- (i) Form ED–900 (*Application for Investment Assistance*);
- (ii) Form SF–424 (*Application for Federal Assistance*);
