Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before August 14, 2006.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

DEPARTMENT OF ENERGY

Office of International Regimes and Agreements; Proposed Subsequent Arrangement

AGENCY: Department of Energy (DOE).

ACTION: Notice of proposed subsequent arrangement.

SUMMARY: This notice is being issued under the authority of Section 131 of the Atomic Energy Act of 1954, as amended (42 U.S.C. 2160). The Department is providing notice of a proposed "subsequent arrangement" under the Agreement for Cooperation in the Peaceful Uses of Nuclear Energy between the United States and the European Atomic Energy Community (EURATOM) and the Agreement for Cooperation Concerning Civil Uses of Atomic Energy between the United States and Norway.

This subsequent arrangement involves the provision of programmatic consent to the Euratom Supply Agency and the Government of Norway for the retransfer

of irradiated fuel rods containing a maximum of 30,000 grams of U.S.-origin uranium, containing a maximum of 400 grams U-235, and a up to 400 grams of U.S.-origin plutonium, from the Euratom Supply Agency to the Government of Norway for neutron radiography examination. The specified material, which is now located at Studsvik Nuclear AB, Nyköping, Sweden, will, upon approval, be transferred to the Institut for Energiteknikk (IFE), Halden, Norway between March 2006 and March 2007. IFE Halden is a research institute within the fields of nuclear technology, man-machine communication, and energy technology. The material will be transferred in several shipments, with the plutonium weight per transport remaining below 100 grams. After neutron radiography examination in Norway, the Government of Norway will rely on this programmatic consent to have IFE Halden will return the material to Studsvik Nuclear for final disposal, subject to the same shipping limit of not more than 100 grams of plutonium per transport when the material is returned from Norway to Sweden.

In accordance with Section 131 of the Atomic Energy Act of 1954, as amended, we have determined that this subsequent arrangement will not be inimical to the common defense and security.

This subsequent arrangement will take effect no sooner than fifteen days after the date of publication of this notice.

For the Department of Energy.

Richard Goorevich,

Director, Office of International Regimes and Agreements.
