

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 we, the National Park Service (NPS) are proposing to renew an information collection.

DATES: Interested persons are invited to submit comments on or before April 27, 2022.

ADDRESSES: Written comments and suggestions on the information collection requirements should be submitted by the date specified above in **DATES** to <http://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting “Currently under Review—Open for Public Comments” or by using the search function. Please provide a copy of your comments to the NPS Information Collection Clearance Officer (ADIR-ICCO), 12201 Sunrise Valley Drive, (MS-242) Reston, VA 20191 (mail); or phadrea_ponds@nps.gov (email). Please include “1024–0276 (NHL)” in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Patty Henry by email at patty_henry@nps.gov, or by telephone at 202–354–2216. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <http://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the PRA and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A Federal Register notice with a 60-day public comment period soliciting comments on this collection of information was published on June 8, 2021 (86 FR 30469). No public comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other

Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility.
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected.
- (4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: Authorized by the Historic Sites Act of 1935 (54 U.S.C. 320101 *et seq.*), National Historic Landmarks Program (36 CFR part 65), and the National Historic Preservation Act of 1966 (54 U.S.C. 300101 *et seq.*) the NPS collects information on behalf of the Secretary of the Interior to evaluate properties applying for historic landmark designation. In accordance with the law and 36 CFR part 65, private citizens, businesses, and organizations; federal agencies (FPO); state and local public agencies; State Historic Preservation Officers (SHPOs); territories; and Indian tribes (THPO) may submit nominations for National Historic Landmark (NHL) designation. All interested parties must inquire by letter or email about the eligibility of properties to be considered for NHL designation. The inquiry includes the name, location, brief description, and historical summary of property. If determined eligible for consideration the respondent will use NPS Form 10–934, “National Historic Landmarks Nomination” to nominate a property.

The form is used to collect the following information related to the property:

- (1) Name and location
- (2) data related to the national significance of the property
- (3) any withholding of sensitive information
- (4) geographical data
- (5) statements and discussions about the national significance of the property
- (6) description and statement of integrity
- (7) major bibliographic references and
- (8) name, organization, address, phone number, and email of the person completing the form

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, (PRA, 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), all information collections require approval under the PRA. We may not conduct or sponsor and you are not required to respond to a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public’s reporting burden. It also

helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The NPS maintains law enforcement incident reports in the Department of the Interior’s Incident and Management Reporting System (IMARS). In accordance with the Privacy Act (5 U.S.C. 552a(b)), the NPS cannot release copies of records maintained in IMARS without prior written request and/or consent of the individual to whom the record pertains unless authorized under appropriate routine-use exceptions.

The NPS uses Form 10–945, “Certification of Identity and Consent” to collect information necessary to verify the identity of first-party requesters and to document if and when they authorize the NPS to release their information to a third party.
