ICE Clear Europe believes clearance of the New Sovereign Contracts will benefit the markets for credit default swaps on Western European sovereigns by offering to market participants the benefits of clearing, including reduction in counterparty risk and safeguarding of margin assets pursuant to clearing house rules. The terms of the New Sovereign Contracts will be governed by Paragraph 12 of the CDS Procedures. Clearing of the New Sovereign Contracts will not require any changes to ICE Clear Europe’s existing Clearing Rules and CDS Procedures (although ICE Clear Europe has updated its risk management
