SUPPLEMENTARY INFORMATION: The Choice Neighborhoods Program employs a comprehensive approach to community development centered on housing transformation. The program aims to transform neighborhoods of poverty into viable mixed-income neighborhoods with access to economic opportunities by revitalizing severely distressed public and assisted housing and investing and leveraging investments in well-functioning services, effective schools and education programs, public assets, public transportation, and improved access to jobs. Choice Neighborhoods Planning Grants support the development of comprehensive neighborhood revitalization plans which focused on directing resources to address three core goals: Housing, People and Neighborhoods. To achieve these core goals, communities must develop and implement a comprehensive neighborhood revitalization strategy, or Transformation Plan. The Transformation Plan will become the guiding document for the revitalization of the public and/or assisted housing units while simultaneously directing the transformation of the surrounding neighborhood and positive outcomes for families.

The FY2013 Choice Neighborhoods Planning Grant awards totaled \$4,374,000 and nine applicants were selected for funding in a competition, the results of which were announced on November 22, 2013. At that time, and in addition to the applicant and Congressional notification processes, the grantees were posted to the HUD Web site at: [http://portal.hud.gov/hudportal/HUD?src=/press/press_releases_media_advisories/2013/ HUDNo.13-175](http://portal.hud.gov/hudportal/HUD?src=/press/press_releases_media_advisories/2013/HUDNo.13-175) and http://portal.hud.gov/hudportal/HUD?src=/program_offices/public_indian_housing/programs/ph/cn/planninggrants. Applications were scored and selected for funding based on the selection criteria in the FY2013 Choice Neighborhoods Planning Grant NOFA.

In accordance with Section 102 (a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat.1987, 42 U.S.C. 3545), the Department is publishing the names, addresses, and amounts of the Choice Neighborhoods awards made under the competition in Appendix A to this document.
